C. D. of A. To Meet in Cleveland, July 12

CLEVELAND. — (CNC) — The twentieth biennial national convention of the Catholic Daughters of America, which will be held here July 12 to 14, will be streamlined and confined strictly to religious and business sessions, it has been announced by Miss Mary C. Duffy, Supreme Regent of the organization.

The convention, which usually runs five days, has been cut to three days and all social and recreational functions have been eliminated in order to comply with the wartime travel and other restrictions, Miss Duffy said.

The convention will be opened with the celebration of Solemn Pontifical Mass in St. John's Cathedral, at which the Most Rev. Edward F. Hoban, Coadjutor Bishop of Cleveland, will pontificate. The Most Rev. William J. Flarty, Bishop of Scranton and National Chaplain of the Catholic Daughters of America, will preside at the services. Convention attendance is being limited to members of the hierarchy, national officers and directors, state regents and delegations and it is expected 200 will attend.

DECORATE FLYING NURSE

A Catholic Army nurse, Second Lieutenant Dorothy F. Shikohl, of Green Lake, Wis., receives the Army Air Medal from Lieut. Gen. Willard F. Harrison, the first woman decorated in the South Pacific war area. Lieutenant Shikohl risked her life in trying to save the life of a Marine navigator during the crash landing of a plane on which she was serving with the Army Air Evacuation Transport Command. Our Rochester Diocesan Council is planning its War Stamp Campaign under the leadership of our Diocesan and Deans' Presidents. Campaign material will be sent direct to the latter, to facilitate operation.

Mrs. John Victory of Washington, D. C., is National Secretary of the Campaign. We look for Victory with Victory.

Women of the Brooklyn Diocese have already sent in 18,000 stamps.

**WAR STAMP DRIVE
JULY 1 TO AUG. 15**

Our National President's Message July 1, 1943, has a very special significance for the Catholic women of America, for on this day—the eve of the Feast of the Sacred Heart—a War Stamp Campaign officially opens. The campaign, if successful, will assure the maintenance of the National Catholic School of Social Service for future years. This school is unique in that it is maintained by lay women. All of us realize the need for Catholic trained social service workers; this need will be multiplied many times in post-war rehabilitation. Be sure you "Give a Stamp and Get a Stamp."

Reports show that Catholic women everywhere are engaged in wartime activities which include cooperation with the National Catholic Community Service. If a USO club is in your vicinity we are certain that you have volunteered, but very often the club is situated in some remote place, and for this too we must feel our responsibility. For this reason we are suggesting that a committee cooperating with the National Catholic Community Service be established in every parish parish and affiliated unit to recruit volunteers to help in clubs both near and far. Our own boys and girls may find themselves in camps near USO clubs where there is little, if any, Catholic participation. After all, these boys and girls are our boys and girls, and if we cannot serve our own we have the privilege through the USO of serving others. Members of the National Council of Catholic Women have been effective in volunteer activities ever since the last war. We have proven our value with the Red Cross, Chaplain's Aid, Office of Civilian Defense and the many other fields where success depends entirely upon the zeal of volunteers. A director of a USO club is successful only if he or she has good volunteers participating. We, the experienced Catholic volunteers, can insure "A Home Away From Home" for our boys and girls everywhere.

No more time for Catholic women this summer! There is no leisure time for our armed forces either. They are fighting that we may live; we are working and praying that they may live. Our War Stamp Campaign will make certain that there will be bullets, guns, ships, and ammunition to win the war, and Catholic women

trained especially to give service as and when the need arises. Our active participation in the NCCW programs of the USO will make certain that the armed forces everywhere will find hospitality. Seeing in each boy and girl our own son or daughter, we will not grow weary serving.

Margaret Maginnis Angelo
(Mrs. F. A.),
President.

A Timely Hint for the War Bride
If you are furnishing a combination living and dining room with side and end from the family attic why not use paint and inexpensive fabrics to harmonize unrelated pieces?

Here a combination chest and desk cupboard has been made from an old dresser. The cupboard at the lower right sits on top of the dresser and a quarter

round molding nailed to the dresser top holds plates in place. Both dresser and chairs are painted cream color and quaint Dutch designs in gay colors are stenciled on them. The chair seat covers repeat the colors in these designs. Pieces of the cracked mirror of the old dresser are cut to fit painted picture frames and typical Dutch tulip designs are stenciled on the glass.

NOTE: The painted and stenciled designs used by Early Dutch settlers in America are full of sentiment for us today. The Dove of Peace and Hearts and Flowers were favorites. Mrs. Spears has prepared a large sheet of authentic designs with complete instructions and color guide for decorating furniture and other household articles. Ask for Pattern 282 and enclose 5c plus 2c to cover cost and mailing.
