C. D. of A. To Meet in Cleveland, July 12

CLEVELAND. — (NC) — The twentieth biennial national convention of the Catholic Daughters of America, which will be held here July 12 to 16, will be streamlined and confined strictly to religious and business sessions. It has been announced by Miss Mary E. Duffy, Supreme Regent of the organization.

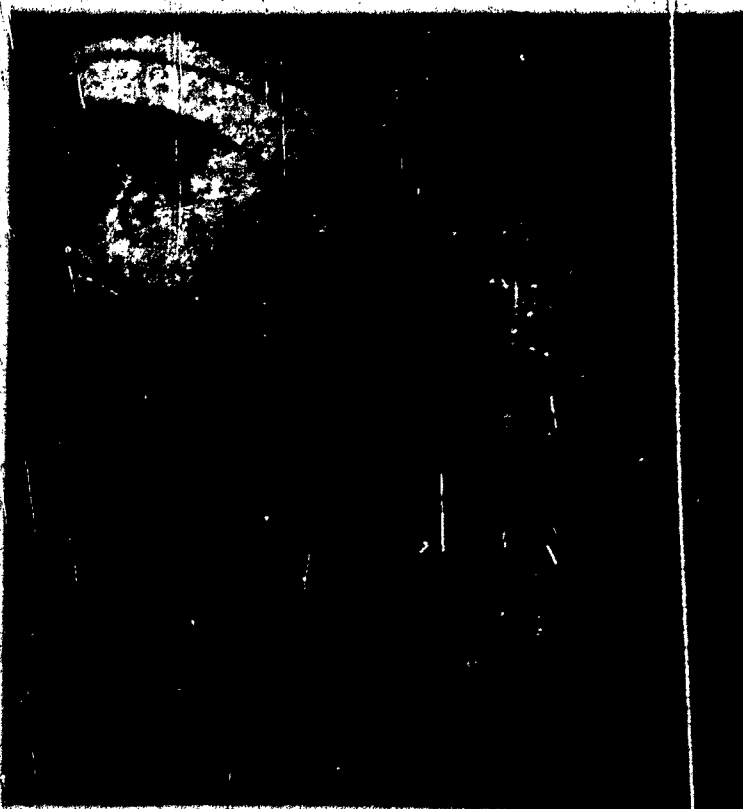

The convention, which usually runs five days, has been cut to three days and all social and recreational functions have been eliminated in order to comply with the wartime travel and other restrictions, Miss Duffy said.

The convention will be opened with the celebration of Solemn Pontifical Mass in St. John's Cathedral, at which the Most Rev. Edward F. Hoban, Coadjutor Bishop of Cleveland, will pontificate. The Most Rev. William J. Hafer, Bishop of Scranton and National Chaplain of the Catholic Daughters of America, will preach the sermon. Convention attendance is being limited to members of the hierarchy, national officers and directors, state regents and delegations and it is expected 300 will attend.

DECORATE FLYING NURSE

A Catholic Army nurse, Second Lieutenant Dorothy F. Shikoki, of Green Lake, Wis., receives the Army Air Medal from Lieut. Gen. Millard F. Harrison, the first woman decorated in the South Pacific war zone. Lieutenant Shikoki risked her life in trying to save the life of a Marine navigator during the crash landing of a plane in which she was serving with the Army Air Evacuation Transport Command. Women of the Brooklyn Diocese have already sent in 15,000 stamps.

WAR STAMP DRIVE JULY 1 TO AUG. 15

Our National President's Message July 2, 1943, has a very special significance for the Catholic women of America, for on this day—the eve of the Feast of the Sacred Heart—a War Stamp Campaign officially opens. The campaign, if successful, will assure the maintenance of the National Catholic School of Social Service for future years. This School is unique in that it is maintained by lay women. All of us realize the need for Catholic trained social service workers; this need will be multiplied many times in post-war rehabilitation. Be sure you "Give a Stamp and Get a Stamp."

Reports show that Catholic women everywhere are engaged in wartime activities which include cooperation with the National Catholic Community Service. If a USO club is in your vicinity we are certain that you have volunteered, but very often the club is situated in some remote place, and for this too we must feel our responsibility. For this reason we are suggesting that a committee cooperating with the National Catholic Community Service be established in every parish council and affiliated unit to recruit volunteers to help in clubs both near and far. Our own boys and girls may find themselves in camps near USO clubs where there is little, if any, Catholic participation. After all, these boys and girls are our boys and girls, and if we cannot serve our own we have the privilege through the USO of serving others. Members of the National Council of Catholic Women have been active in volunteer activities ever since the last war. We have proven our value with the Red Cross, Camps for the Aged, Office of Civilian Defense and the many other fields where success depends entirely upon the zeal of volunteers. A director of a USO club is successful only if he or she has good volunteers participating. We, the experienced Catholic volunteers, can insure "A Home Away From Home" for our boys and girls everywhere.

No leisure time for Catholic women this summer! There is no leisure time for our armed forces either. They are fighting that we may live; they are working and praying that they may live. Our War Stamp Campaign will make certain that there will be bullets, guns, jeeps and ammunition to win the war, and Catholic women

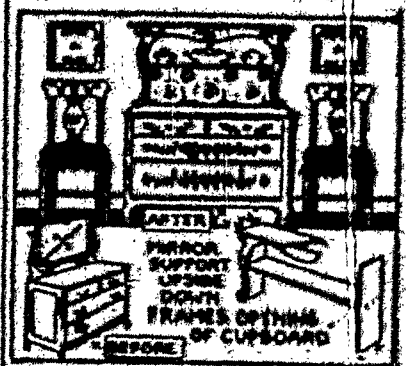

trained especially to give service and when the need arises. Our active participation in the NCCC programs of the USO will make certain that the armed forces everywhere will find hospitality, feeling in each boy and girl our own son or daughter, and will not grow weary serving.

A Timely Hint for the War Bride
 If you are furnishing a combination living and dining room with odds and ends from the family attic why not use paint and inexpensive fabrics to harmonize unrelated pieces?

Here a combination chest and dish cupboard has been made from an old dresser. The cupboard at the lower right sits on top of the dresser and a quarter

round molding nailed to the dresser leg holds plates in place. Both dresser and chairs are painted cream color and quaint Dutch designs in gay colors are stenciled on them. The chair seat covers repeat the colors in these designs. Pieces of the cracked mirror of the old dresser are cut to fit painted picture frames and typical Dutch tulip designs are stenciled on the glass.

NOTE: The painted and stenciled designs used by Early Dutch settlers in America are full of sentiment for us today. The Dove of Peace and Hearts and Flowers were favorites. Mrs. Spears has prepared a large sheet of authentic designs with complete instructions and color guide for decorating furniture and other household articles. Ask for Pattern 202 and enclose 10c plus 2c to cover post and mailing.
