Golden Jubilee Set For Hornell Nun

HORNELL.—A special Mass to mark the golden jubilee in religion of Sister M. Victorine of the Sisters of Mercy is being planned in St. Ann's Church, here on July 27, to be followed by a jubilee dinner.

Sister Victorine's jubilee date was Monday and she, being on her vacation, marked the day quietly. In her 50 year in the sisterhood, Sister M. Victorine has been in Hornell for 48 years and is widely known in the city. Before coming to St. Ann's convent here, she was located in Batavia, Corning and Elmira, and for about a year in St. James Mercy Hospital. A native of Myersville, near Warren, Sister M. Victorine entered the convent of the Sisters of

Mercy at Batavia, when Hornell was included in the Buffalo diocese. This was in 1880. Three years later she took her final vows. Sister M. Victorine, on vacation, is reported visiting at her birthplace where she is enjoying life on a farm as she did many years ago. Every person attending St. Ann's School in the more than two score years of her service, knows Sister M. Victorine as a most charitable person, one who never has refused to lend another a helping hand. Her associates have often said that so long was too difficult for her to perform, and that she is worshipped by children, who have called upon her when ill and for various favors.

Flying Cross Award Earned By St. John's School Graduate

Wearing the Distinguished Flying Cross, HAN HERTZ, Richard M. Hasbrouck, a graduate of St. John the Evangelist's School and resident of 93 Winton Rd. S. is back from Africa this week after participating in 20 air raids during the last seven months.

Another Rochesterian, Brigadier General Edward Peck Curtis, now stationed in North Africa, planned the DFC award on the young airman who six years ago cadet for Curtis at the Country Club, Rochester.

The General, according to Hasbrouck, was unaware that he was honoring his former caddy boy, but "I recognized him," said the flyer, "because he looked exactly as he used to on the golf links."

The flying cross was awarded to Sergeant Hasbrouck after an incident March 23 when some 20 enemy flyers jumped his outfit during a flight over Elmeria. Though his gun jammed, nevertheless, Hasbrouck managed to clear his gun in time to knock down one Messerschmitt-109 and damage another.
