

CORPUS CHRISTI PARISH

FAIR TICKETS THIS WEEK

The Preliminary Sale of Tickets for the annual Summer Fair will begin this week. Boys in the parish are distributing the booklets to the families in our parish. Every family will be asked to share in this cooperative effort for the benefit of the parish.

The Summer Fair will be held this year on Friday evening, Aug. 13, in Corpus Christi Parish Hall, at Main and Prince Streets. The newly decorated hall will present a pleasant and beautiful appearance for this grand parish social. There will be no admission at the door. Parishioners and friends are invited to visit the hall and get acquainted again with each other. Old parishioners are especially invited to visit the newly decorated church and hall.

In charge of this annual social

will be John Hedges, Jr. He will be assisted by Miss Clavin O'Brien as assistant Chairman. A large committee has been appointed to make full arrangements and these details will be announced next week.

TUESDAY NIGHT PARTIES

Each Tuesday evening a weekly Tuesday Night Social is held in Corpus Christi Hall for the benefit of the parish. Under the direction of a Committee from the Parish Young People's Club a new series of these socials was begun two weeks ago and have proven very successful.

Parishioners and friends of the parish are invited to attend these Tuesday parties. Admission at the door is 50c. Five bus lines with stops at the door make it convenient for all.

MEMORANDUM CLUB

This week: Mrs. Andrew Emlinger of East Main St. and Mrs. Victor Chalmers of Garsen Ave.

REFRAT YOUTH SOCIETY

The regular monthly meeting of the Young People's Club on last Sunday proved so successful that it is planned not only to invite the servicemen in the city to such monthly meetings but also to arrange for additional socials to entertain them. Miss Eleanor Vail is acting as Chairman of the committee in charge of these socials. She is being assisted by the Misses Jeannette Hermann, Louise Lang and Marie Carroll. Besides luncheon a special program of entertainment and recreation is presented. Members of the Club are urged to send in their contributions as soon as possible for this next Servicemen's Social.

An invitation is again extended to members of our parish to join this parish Young People's Club. Occasional word is received that many from the parish would like to become members but hesitate to present their names. All inquiries may be made at the rectory or with John Fox, President of the Club, at 315 Denver St.

Getting On In The World

WHAT REALLY COUNTS
 "Take not much thought who is for you or against you, but see to this and care for this, that God be with you in everything you do," counsels Thomas a Kempis, in chapter 2 of Book II of The Imitation of Following, of Christ.

"Have a good conscience," he goes on, "and God will shield you well. For him whom God will help no man's perversity can harm. If you can only hold your peace and suffer, without a doubt you shall see help from God."

INCREASED WORK BRINGS VATICAN OFFICE CHANGES

VATICAN CITY.—The ever-expanding services of the Holy See are requiring the rearrangement of certain quarters within Vatican City.

The Vatican Office is establishing itself in new quarters in St. Peter's Museum, erected under Pope Benedict XV, to the left of the Bernini Colonnade. While the Vatican Office remains within the territory of Vatican City, it is rendered more accessible to the public by the change. Artistic and historic objects have been removed from the St. Peter's Museum to the Vatican grottoes, which are now assuming the appearance of a real underground church.

27 U.S.-BORN JAPANESE JOIN ARMED FORCES

NEW YORK.—Twenty-seven Catholic boys of Japanese-American ancestry have left the relocation camp at Twin Falls, Idaho, to become members of the U. S. Army, according to a report from Rev. Leopold Tibeser, Maryknoll priest assigned to the Camp.

Father Tibeser formerly was stationed in the Maryknoll Japanese parish in Seattle. When his parishioners were removed to relocation camps, Father Tibeser went along with them. He reported that he has under instruction 30 adults who are preparing to enter the Church. Two ministers, who gave up preaching because of unsettled religious views are among the prospective converts.

The consistent purchasing of War Bonds and Stamps will help prevent inflation.

There is little danger to a people's faith if they remain true to the Rosary.

The Magdalene
 Our Saviour looked with special compassion on St. Mary Magdalene, whom we honor on July 22. Ask our missionaries to offer Mass in her honor and win compassion for you.

SCHOOLS ENDANGERED! WE MUST SAVE THEM!
 The Sisters of the Holy Rosary have been teaching for many years in Transjordania. Now there is grave danger that the government will step in and close their schools. An American Jesuit Father, who has seen all the schools in that region, tells us that these give very good training to the children. They are attended by the best girls of the region, even those dissidents and Mohammedans.

HOUSE OF GOD
 One of our great needs is for modest chapels. Many of our missionaries must gather their people into private homes for Mass and instruction. This makes it difficult for Catholics to attend and it is a real obstacle to conversions. Due to increasing costs, Seven Hundred and Fifty Dollars is needed to erect a worthy chapel in the Near East.

ALL YOUR FAMILY
 Why not give your whole family the benefits of membership in this Association? You can enroll all, living and deceased, for only Five Dollars a year. Each one will share in 15,000 Masses yearly.

SUPPORT A MISSIONARY
 Our mission priests in the Near East labor chiefly among the very poor. Their tasks are small and their people utterly unable to provide even the meager sum required for their maintenance. Our mission priests can live and keep their work going for Twenty-Five Dollars a month. Won't you help?

IN ILLNESS
 When you are ill the priest brings the Blessed Sacrament in a small vessel called a Fyx. Many of our priests in the Near East need a Fyx to carry on their ministry. Five Dollars will buy a Fyx for a missionary in the Near East.

THE WHOLE MAN
 Often our missionaries are called upon to minister to their people's bodily as well as spiritual needs. For this purpose they establish small clinics and dispensaries. One of their greatest difficulties is getting a supply of medicines, bandages, ointments, etc. Five Dollars a day is needed to do this. Will you help our missionaries reach the whole man?

SEAMLESS ROBE
 During his month, nearly 500 years ago, the great savior, dividing East and West, took place. As a result, more than 100,000,000 people are outside the Church. Missionaries in the Near East are bringing many back. Won't you help us train priests who will repair the seamless robe of Christ, His Church? One Dollar a month, Twelve Dollars a year, will make you a member of our Students' Support Club.

SUMMER HEAT
 The summer heat affects us all. But our missionaries must keep on working. Your gift, great or small, will be deeply appreciated by them. Don't let their hot, warm days stop you from sitting down and sending us a stringless gift.

WHEN MASS IS SAID
 Whenever Mass is said, the priest must use a Chalice. You will be assured of a remembrance in his prayers at each Mass if you provide a Chalice for one of our missionaries. Ten Dollars will buy a Chalice.
