WACS Set Graduation Mass

WEST SIDE MOTHERS, Inc. — An
interesting tradition among Catho-
lic girls is the graduating class at
the West Side Catholic School
of the Women's Army Corps, here,
came to light in connection with
a visit which the Advisory Council
to the Women's Interests Section
of the War Department just paid
to the West Side.

It is customary for the Catho-
lic girls to have a Mass offered
on the Sunday before gradua-
tion, to attend the Mass in a body,
and to dedicate the altar them-
selves for this occasion.

Golden Jubilee

Golden — The East Side French
Catholic members of the Brothers
of Christian Instruction to mark
the 50th anniversary of their
profession were honored at La-
Salle. They were Brother Desi-
gné, Brother Assistant General, and
Brothers Constant-Jules and Et-
ienne-Marie.

On Guard!

(Continued from Page 1)

It's a heavy thing, Joe, but we
wonder why it is that you observed
that Second Front idea not
when Nazi bombs were falling on
London but when they were fall-
ing on Moscow and Stalingrad!

Between ourselves, Joe, let me
tell you that both the Americans
and the British know that Soviet
Russia is not in this war because
they think that it is a war for
liberty.

Soviet Russia is in this war be-
cause it was attacked by Germany,
and the Red armies will continue
to fight with the United States and
Britain only so long as you believe
it to be in the interest of Soviet
Russia.

Now, that Second Front is a
great idea. The British and our-
selves are all for it. But really,
Joe, the way that you say for a
Second Front makes me wonder
what is wrong with you, Joe.
Haven't you heard? Didn't your
friend Jake tell you? WE HAVE
A SECOND FRONT IN THE
PACIFIC! Right now both
the British and ourselves have a
lot of unshipped business in a
place called Japan. It's funny
that you didn't hear how Doc-
liffe and his boys visited To-
kie. Ask your Japanese Ambas-
sador to tell you about Guadal-
canal, Wake Island and Munda.

As a matter of fact, Joe, the
Second Front doesn't mean much
to us now. Why, we lost track
after we took over six or seven
fronts. Right now the Yanks are
posted all over the world. The
British and American fleets are
patrolling the Seven Seas. Ask
Hitler what happened to his sub-
marine wolf packs. Did you ever
hear about a ship called Stommel,
Joe? Or about such places as
Tunis and Elmer? Who do you
think is chasing the Nazis out of
Sicily? Remember too, Joe, those
dark days when Hitler was be-
fore Moscow, how our merchant
marines braved the perilous north-
ern routes to Murmansk, how they
found the Luftwaffe practically on
your front porch, and how they
got through somehow with guns,
planes, tanks and food for Mos-
cow?

And Joe, what do you think the
British and American flyers are
doing in their round-the-clock
trips over Germany and occupied
Europe? They're not stunt flying,
Joe, and you know it!

Now, Joe, let's forget all about
this Second Front propaganda,
and talk about the ONE FRONT.
What difference does it make
whether we shoot Nazis in Sicily
or in the Kharkov sector? As
long as we shoot them, why should
you worry where we bury them?

Let the Second Front in Europe
but the ONE FRONT of spiritual
unity between America, Britain
and Russia is the big issue. You
know, Joe, you have us worried.
We believe in the FREEDOM OF
SPEECH and the FREEDOM OF
RELIGION. But folks don't speak
in Moscow, Joe, unless you let
them. Your Soviet Constitution
doesn't allow religion to be taught
in Russia. Some times, Joe, you
remind me a lot of your ex-chum
Hitler.

Come on, Joe, let's establish the
ONE FRONT against tyranny and
oppression not just in Berlin but
also in Moscow. We would still
like to see you over here. We
would treat you, right too. Ask
Churchill; he's over here all the
time.

By the way, what did you ever
do with your World's Fair Ex-
hibit? Are you taking good care
of Big Joe, your metallic doll?
Why don't you bring Big Joe back
to New York. We would be very
glad to see him again.

Sincerely Yours,
One Fronters
