## Youth Club Invites Members

Young People's Club invites to membership all young people of the parish, call on Father Morley at next announced meeting. Men and women, married and unmarried, are invited to become members.

Merchandise Club closes Aug. 22. The Beauty Society has conducted the affairs of the Merchandise Club in a very effective and progressive way. Mrs. Thomas Hogan is the stated member for this week. After Aug. 22 distribution of handkerchiefs, lace tablecloths and confecters will be made. When the 100% wool blankets have been delivered to us, we shall send word to all who are waiting for them. Some part-wool blankets are on hand. Those who desire them may call at the school Monday evening after the services.

Monday, Aug. 23, at 8:30 P. M. in School Hall, distribution of all goods on hand will take place. Other items, such as rugs and towels, have been delayed by war conditions, but will be here later and members will be notified at once of their arrival.

Payment of balance on your membership fee should be made at once, so that there may be no delay in delivery of goods when they arrive. The last of your pink envelopes should be used now for this final payment; to put off payment until Aug. 23 will mean much confusion and delay, so make your payment now that we may be able to serve you quickly when you come to the School Hall on Aug. 23. All merchandise as ordered will arrive. Delays on some items are certain, but we ask you to be patient till your article arrives.

New Merchandise Club begins Sept. 13. Leaders will soon have the new catalogue and will be glad to explain to you the new items that shall make the new session of the Merchandise Club so attractive. New members are invited to plan now to join.

Your quarter for National School of Social Justice, to reduce its debt of \$100,000, will be looked for Monday in the second collection. This school trains Social Workers for all our country, for every driver, minister in the poor through its graduates. A quarter is not a large offering, but what you give, added to what your brethren throughout the country will give, will help erase the debt on this important school. The Apostolic Delegate has asked the National Council of Catholic Women to sponsor this debt-erasing drive. Bishop Kearney is caring for the work of the local Chapter by the Quarter Collection in the church on Sunday.

Your gift for ten Sundays to the Improvement Fund is the amount you add to your Sunday offering—in your envelope, or with your loose contribution. Start any Sunday, but get in your total amount by the tenth Sunday.

## Look Here Latocomer!

Perhaps you come to Mass only a few minutes late; nevertheless you may cause half of the congregation to turn around at the sound of your footsteps, as you come to the aisle. The congregation should not look around, that is true, but we are dealing with human beings, and human beings do look around. Then the added noise from the congregation is loud enough to reach the priest, who is engaged in the most solemn act of his priestly day. Indirectly, therefore, you are the cause of distraction when there should be no distraction. Can you wonder or complain if the priest scolds you from the altar? Do not think that he is a crank, but remember that you are the contributing nuisance. Coming late may not be very faulty in itself at times, but its consequence can be faulty. There is a simple way to avoid the trouble: if, after studying out your own particular difficulty, you find that you regularly arrive for the nine o'clock Mass at five minutes past nine, make it a point to come to Mass at five minutes to nine and then if you continue to come five minutes late you will be on time. Always aim above what you hope to hit.—Anon.

## Conversions Attributed To Catholic News Racks

**TULSA**—The Catholic Activities group of this city through its excellent results in winning conversions and its unique system of spreading Catholic literature, has taken its place among the leading Catholic organizations in the Southwest.

The group maintains more than 100 literature racks in hotels, bus stations, beauty shops, department stores and similar locations. The racks regularly are supplied with Catholic papers, pamphlets and leaflets. Numerous converts have related that their first interest in the Church came from literature they obtained from Catholic Activities racks.

## Mass On Rocky Island Off Cornwall Said First Time Since 'Reformation'

**LONDON**—For the first time since the so-called Reformation Mass has been said again on St. Michael's Mount, the rocky island in Mount Bay, Cornwall, formerly a place of pilgrimage and the site of a priory. The pastor of Penzance, the Rev. George Cantell, said the Mass.
