St. Joan of Arc Nuns Get Second Post In Diocese

The Sisters of St. Joan of Arc obtained this week their second foundation in the Diocese of Rochester when they were officially entrusted with the domestic duties of the St. Andrew's Seminary Faculty House at 321 Lake Ave., Rochester.

Three On Staff

The new Institute being established at the St. Andrew's Faculty House will be staffed by three sisters. The Sisters of Joan of Arc devote themselves exclusively to the spiritual and temporal service of the priesthood.

The community was founded in the country in 1911 at Worcester, Mass. At present the Motherhouse is located in Bergville in the vicinity of Quebec.

Six years after its foundation, a decree of the Sacred Congregation of Religious and the ecclesiastical approval of His Holiness, Pope Benedict XV, officially established the Joans of Arc Sisters among the approved religious communities of the Church.

Each day of the Sisters' week is consecrated by prayer and labor to the priestly office. On Sunday their prayers and labors are consecrated to the intention of the Holy Father. Monday, their prayers and work are offered for the Cardinals; Tuesday, for the Archbishops and Bishops; Wednesday, for deceased priests; Thursday, for secular priests; Friday, for priests of religious communities, and Saturday, for seminarians.

World's Resources Should Be Distributed

Now justice requires that it lawfully constituted authority there be given that respect and challenge which is its due; that the laws which are made shall be in wise conformity with the common good; and that, as a matter of conscience, all men shall render obedience to these laws. Justice requires that all men acknowledge and defend the universal rights of human freedom and human dignity, and that the infinite wealth and resources with which God has endowed the whole of the earth shall be distributed, in conformity with right reason, for the use of all His children.—Pope Pius XII.
