A Toy To Take the Place of Rubber Ball

An old-fashioned bear bag can be as much fun as a rubber ball. It may also be colorful and amusing to look at. Take one in the shape of a fish should literally swim through the air.

The design will be most realistic if the body is made of striped material with contrasting tail and fin. You will have as much fun making your own pattern from the

diagram in the sketch in the children will have playing with the finished toy. The materials will be navy beans, scraps or goods not more than eight inches square, a pair of pearl buttons and a little colored thread.

NOTE: Now is the time to make your New Year's resolution to save by keeping all clothing in good repair. The Revised Edition of BOOK 2 contains directions for mending fabrics, and directions for things to make from scraps of material. Also illustrations of 43 embroidery stitches. Price is 10c plus 6c to cover mailing costs. Send direct to Mrs. Spears, Drawer 133, Bedford Hills, New York.

Public Offices Closed On Feast Day

MONTREAL.—Provincial, civil and court offices were closed here and throughout the province of Quebec on Dec. 8 in recognition of the Feast of the Immaculate Conception.

Useful Prayer

The President cited the prayer of a Chinese Christian: "Lord, reform Thy world, beginning with me." There could be few more useful prayers for each of us to keep as a guiding rule in the present crisis.—The New York Times.
