

FAITH...

"Mysterium Fidei" - "The Mystery of Faith" were the words on the Chaplain's lips before the Elevation of the Chalice.

FAITH has led the priest into the jungle to minister to your boys on the field of battle.

FAITH is depicted on the face of each of these men as he kneels before the Altar.

FAITH keeps up their morale.

FAITH in God is their great inspiration.

BUT THEY ALSO HAVE

FAITH IN YOU

FAITH that you will make every sacrifice necessary for the successful prosecution of the War.

FAITH that you will see to it that they are furnished everything necessary for Victory.

FAITH that you will support them in this crusade for the creation of a better world after the destruction of those forces which have been a curse to civilization.

FAITH that as they have given themselves you will at least—

GIVE YOUR DOLLARS FOR THEM!

LET NOT THE FAITH OF THESE BE IN VAIN
