

Holy Childhood Association

Rev. John S. Randall
DIRECTOR

Good Morning, Boys and Girls:

It looks as though spring is really here, doesn't it? I suppose you have been preparing for Easter and have your new "Sunday-go-to-meeting" clothes all ready for the Easter Parade. I hope that you have been working just as much to prepare yourselves spiritually for this great event. By preparing yourselves spiritually, I mean, making little sacrifices for our Crucified Saviour, such as getting up to go to Mass in the morning where you would like to have stayed in bed, saying the Stations of the Cross instead of playing with your friends all afternoon, and not eating candy, or going to the movies, but instead putting this money into War Stamps and then giving these Stamps to the Missions. All these little sacrifices will certainly show our Lord that you love Him and realize that He died on the Cross for our sins, and that you wish to do just a little something in preparation for your sins.

One of the things I mentioned was giving your pennies to the Missions in place of buying candy and ice cream or going to see your favorite movie star. How are you coming with your Chapel Fund? I hope it is growing and growing. If you are as good at saving War Stamps as you are at collecting paper I know we will go over the top. I asked that you give your War Stamps to Bishop Thomas of India so that he might build a chapel for his people in the Diocese of Bangalore.

No doubt you have already noticed Bishop Thomas' picture in this column. He is a native of Madras and his full name is Bishop Thomas Ponthacary. His family has been Christian for three generations. Bishop Thomas is a Telugu, a race known as the Irish of the East because of their strong Catholic faith. He visited Rockies in 1939, and at the time of his visit, he was a Monsignor. Shortly after his return to India, he was consecrated a bishop. He is trying very hard to help his poor people and he wants more than anything to build a chapel for them. In order to do this he looks to the people of America for we are "the Hope of the Missions."

At the same time, remember that you are not only working for God and the Missions, but you are helping our fighting men to win this war all the sooner. I know you will not fail us if you will keep in

mind that you are helping both our country and the missions. "A Gun in Every Soldier's Hand, a Chapel in Every Mission Land." Would you not like to say that you built "The Fourth in 1944"?

Now I know you are quite anxious to learn about the adoptions of this week. You have been doing fine. I am being swamped with requests for pagan babies.

The boys and girls at Nativity School, Brockport, are back in the news. The Fifth and Sixth Grades have asked for a Chinese baby named Rose Agnes, and the Third and Fourth Grades have saved two babies. One is to be named Mary Teresa and the other John Joseph. Michael and Paul are the names chosen for the two American Indian babies ransomed by the First and Second Grades.

Blessed Sacrament School sent a nice big check. The Eighth Grade, Room 21, asked for John Thomas; the Sixth Grade, Room 17, chose Bernadette, and the Third Grade, Room 4, prefer Martin, a Chinese baby. Joseph Patrick and John Thomas are two babies from Selma who have the Third Grade, Room 3, to thank for their generosity.

We are pretty proud of Grade Seven at St. Boniface School. They have been doing splendid mission work, and this week they sent in \$10 to be given to the Lepers for medicines and food.

I notice that the boys and girls at St. Salome's School, Pt. Pleasant, are working harder for the missions this year than ever before. The little children of the First Grade sent in another adoption. They have chosen Mary Louise as the name of their Chinese baby. Then the Fourth Grade ransomed John Joseph, and the Fifth Grade asked for Helen Marie. Both of these babies are to be Chinese. The Second Grade requested a Negro baby to be baptised.

The Fifth and Sixth Grades at St. John's School, Clyme, have the honors again this week. Now they have asked for an Eskimo baby to be called Patrick Michael.

The children at St. Casimir's, Elmira, have by no means forgotten us. The little tots of the Kindergarten and First Grade saved enough of their pennies to adopt John Joseph, a Chinese baby. The Fourth and Fifth Graders preferred Richard Michael for the name of their Chinese baby.

At the same time, remember that

you are not only working for God

and the Missions, but you are helping our fighting men to win this

war all the sooner. I know you

will not fail us if you will keep in

mind that you are helping both

our country and the missions.

"A Gun in Every Soldier's Hand,

a Chapel in Every Mission Land."
