

Your Easter Entrance Is Important . . .

Your Suit—

is an essential part of every Spring wardrobe . . . you choose it first and then build around it . . . we are happy to announce that this season suits may be almost any color . . . and still be fashion right!

Cardigan suit . . . this Spring's newest suit style . . . the collarless suit with the new, trim lines . . . it can be worn with so many types of blouses.

Tailored Pin-stripe . . . always popular with the business girl because it gives her an efficient, smart appearance. Choose it in popular dark shades.

Casual classic . . . a type of suit that goes places . . . is seen everywhere! We have it in delicate pastels . . . the kind you call ice cream colors . . . and in correct dark shades.

Your Accessories

greatly enhance your suit . . . they brighten up a dark color . . . or subdue a brightly colored one.

Hosiery . . . we recommend mesh because it is being worn this year so much and because you can have it in so many pretty shades . . . both cotton and rayon mesh.

Handbags . . . many becoming styles in fabric and leather . . . designed to make your outfit more attractive.

Gloves . . . you'll find just the shade you're looking for in fabric . . . and you have your choice of many fine leathers.

Jewelry . . . nothing like a good piece of jewelry . . . like a lapel pin . . . to give your suit a touch of "umph."

Neckwear . . . many frilly pieces to frost your suit . . . dickeys or collars . . . in organdy, batiste and rayon crepe.
