**Plans St. Genevieve Medal For Every Catholic WAC**

WASHINGTON.—A medal of St. Genevieve for every Catholic WAC is the plan of Lt. Mary Hugentugler, Sub-station Commander, attached to the San Francisco Recruiting and Induction District, according to a report received here by Miss Anne Sarachon Hooley, Assistant Executive Director of the National Catholic Community Service.

"Your prompt reply to my request regarding the WAC medals arrived just before I left to attend the diocesan meeting of the National Council of Catholic Women," wrote Lt. Hugentugler. "I want to thank you for your kindness and for the medal. I was proud to have it to show the hundred or more women present at the meeting."

The medal of St. Genevieve of Paris, featured as "Patroness of the WACs," is being distributed by the Women's Division of the National Catholic Community Service.

**Citizens and the State**

The worth of a state, in the long run, is the worth of the individuals composing it; and a state which postpones the interest of their mental expansion and elevation, to a little more of administrative skill, or that semblance of it which practice gives, in the details of business; a state which dwells its men, in order that they may be more docile instruments in its hands even for benevolent purposes, will find that with small men no great thing can really be accomplished; and that the perfection of machinery to which it has sacrificed everything, will in the end avail it nothing, for want of the vital power which, in order that the machine might work more smoothly, it has sacrificed to health.—John Ruskin 1862.

The interior beauty of a coat through artificial intelligence of thought is greater than any words can tell.—Peters.  
 Men who are ashamed of their convictions under external pressure are the most object of scorn to the world.
