

## Science Contest Honor Won by Mercy Student

Honorables mention in the Fourth National Science Talent Search, sponsored by Westinghouse, have been awarded Helen Uebel, senior at Our Lady of Mercy High School, as the first and only parochial school winner in the Rochester area.

Out of the 10,000 original entries, 200 were winners, 40 of whom will compete in Washington, D. C., on March 2 for five days to compete for the final awards.

One boy and one girl will be awarded each a \$1000 scholarship to be applied to the college of their choice. Other contenders all receive scholarships of lesser value.

Mrs. Uebel merited her honorable mention, as did all the contestants, on the basis of a complicated examination covering the fields of chemistry, physics, biology and general scientific knowledge; 2000 word essay on the student's scientific project; academic record; the number of scientific

subjects completed and faculty recommendations; Mrs. Uebel's project was "Psychoneuroses in World War II."

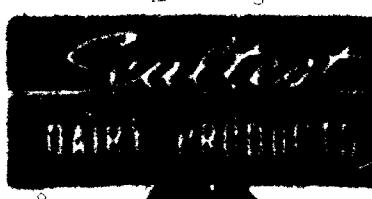

## Immaculate Cub Scouts At Exhibit

Boy No. 2 of Pack No. 13 of Immaculate Conception Church has been chosen to represent the Cub Scouts of Orleans County at the yearly Scout Exhibit to be held at the Rochester Museum on Sunday, Feb. 4. This is but part of a program to help the observance of Scout Week.

Mrs. H. Miner McNease is the Den Mother and Richard Eggen the Den chief. Rev. John K. Raabe is Cub chaplain.

All are cordially invited to see a demonstration of Cub craft work this Sunday at the Museum between 2 and 5 o'clock.

During a persecution in the ninth century St. Marinus fled to a refuge in the mountains. Where he stayed is the world's oldest and smallest republic, the tiny state of San Marino. It has an area of 20 square miles and has 12,000 Catholic inhabitants.
