

DENTIST ON MARY

John came to follow a man
 "Do you swear that you will pull
 the tooth, the whole tooth, and
 nothing but the tooth?"

CLEARANCE

May the Best Woman Win!

There's the bell . . . hold your hat . . . hang on
 in your seats . . . and may the best woman win!

Spring is on the air as ever these days,
 but the best part isn't what it used to be. So
 the best is up in price or down in quality.

There's at least one real bargain that still
 means quality at low pre-war prices.
 That's the service you enjoy in your home.

Now, if you're an average family, you're
 paying more for electricity for your
 home today than you did 20 years ago.

This reduction has been achieved
 by the business-managed electric
 power companies of the country
 operating under the American sys-
 tem of free enterprise.

Yet you don't see these same
 electric companies to continue to
 furnish cheap dependable electric
 service for your home today after
 they've had their way.

Clothing for Poland—
Leave at Curb, Feb. 25

"Help save lives in war torn Poland." With the aid of city
 and salvage committee officials, the Welfare Committee of
 Polonia Civic Centre, comprising thirty-nine Polish-American

city-wide collection of clothing,
 shoes and soap on Sunday, Feb. 25.
 Trucks loaned by various indus-
 tries in Rochester, brewers, cart-
 ing companies and others, the
 Salvation Army and the New York
 Guard, will go through all resi-
 dential districts of Rochester, pick-
 ing up bundles from curbs. All
 kinds of clothing, especially warm
 coats, dresses and suits are need-
 ed. All kinds of shoes, rubbers
 and other footwear as well as hats
 and packages of soap are request-
 ed. Only recently has it been made
 possible to send shipments to Po-
 land and it is pointed out that the
 need for all these things is alarm-
 ing. Poland was the first country
 to be overruled by the Nazis and
 has only within the past few weeks
 been liberated.

It is planned to take all collec-
 tions to the new warehouse of the
 Salvation Army in Exchange street
 where the Army has provided the
 services of an expert packer to
 send them to New York for di-
 rect shipment to Poland. Volun-
 teer drivers and collectors will do

the work.

collecting soap and bringing it to
 their schools for pickup from these
 points. More than 2,500 bars were
 donated by one downtown merch-

ant. St. Stanislaus School of 200
 pupils will total about 22,000 bars,
 every student bringing 40 boxes,
 according to Rev. Joseph A. Zar-
 corah, pastor. In the public schools,
 elementary and high schools as
 well as Catholic private high
 schools, students are conducting
 soap collections.

Students who would prefer to
 take individual collections to the
 Salvation Army warehouse instead
 of leaving them at the curb, will
 find receivers there to take them
 in.
