Rochester Soldier Meets Chaplain Heindl on Luzon

Father Joseph Collins of St. Andrew's parish spent his happiest two hours in the Philippines when he met Chaplain (Lieut.) William W. Heindl, his former parish priest, on Luzon, recently, according to a letter received here.

Writing to his parents, Mr. and Mrs. Dennis Collins, 110 Barbary Ter., Private Collins explained that the meeting came about through juncture of his own and Father Heindl's divisions.

"He's still the same smiling Father Heindl," the soldier wrote, adding that the two had pictures taken together.

Can Help Answer THAT

HOW long will victory last? How many lives will it cost? A
big part of the answer lies with us in Rochester, our
strategic war production area. We must help our government
of "Victory tools"—urgently needed to help us win the war
in the war against Hitlerism. We must help our government
win the war against Hitlerism. We must help our government
win the war against Hitlerism. That's why it's so important that we all do our share and
contribute to our Victory Bonds and War Bonds. Many
vital jobs require little physical effort. None require less experience. Many part time jobs are available.
