I'VE MADE UP MY MIND  
To Take  
A War Job!

"OKAY, BESS! I'll go along with you on that. I know how you've felt about taking a war job... I know the satisfaction you'll get out of having a real part in aiding our war effort. That will make up for whatever inconvenience your job will cause here at home. Nothing we give up will compare with what our fighting men are sacrificing."
