Tape and Wood Track

No agging * No Uneven Folds

Choose the permanent liffy Join hardwood track to suit your need, and the liffy slider tape . . . which doesn't have to be removed for washing or cleaning (it's washable and mangle-proof!) You can put the Jiffy Join track over open cupboards, or at the ceiling to separate rooms, or cubicles as in doctor's offices, beauty salons, etc. There's a liffy Join track for every purpose!
