Engineer Given Silver Star

Pfc. William B. Fullam, member of the Corps of Engineers of the famed First Army Timberwolf Division, has been awarded the Silver Star Medal for gallantry in action in Germany Feb. 23.

After crossing a river with the first assault waves to provide security for engineer construction crews, Private Fullam assisted a wounded man from an enemy mine field, according to the citation.

When the party was fired upon, he crawled to a trench and killed the enemy sniper. Later in the day he single-handedly eliminated an enemy automatic weapon with well-placed hand grenades.

The young soldier, son of Mr. and Mrs. William M. Fullam, 81 Monica St., graduated from Aquinas Institute in 1942. He also attended St. Monica's School.
