Bishop to Lead Testimonial For Reformatory Chaplain

Marking the Silver Sacrodotial Jubilee of the Elmira Reformatory Catholic Chaplain, the Rev. Francis J. Lane, officers and inmates will join in a Testimonial Communion Breakfast, Tuesday, May 29. His Excellency, the Most Rev. James E. Kearney, will attend the testimonial beginning at 10 a. m.

Work of the Rev. Francis J. Lane, a St. Bernard's Seminary Silver Jubilarian, this year, among inmates of Elmira Reformatory, is extolled in a special "Don Bosco Bulletin" edition out May 15. The "Bulletin" is published by and for the Reformatory's inmates.

Due to his efforts at the Reformatory, Father Lane was elected President of the National Association of Prison Chaplains in 1939 and reelected in 1940 and 1941, national honors acclaimed by the inmates in their publication.

"It is for helping us to see and overcome our faults, and offering us a chance to return and further our religious duties, that we wish to thank him from the bottom of our hearts," the paper's editorial says of Father Lane. "For the comfort and understanding he has shown us, a reward, greater than man can give is his due."

A silver cover on the "Bulletin" bearing Father Lane's photograph highlights in headlines the important events of his career as Catholic Chaplain at the Reformatory. Chief of these was the dedication by His Excellency, Bishop Kearney on June 28, 1933, of St. Don Bosco Chapel, in which the Bishop celebrated the first Solemn Pontifical Mass ever to be celebrated in a penal institution.

Father Lane's career is outlined in the "Bulletin's" editorial. His birth in Rochester is record-

ed and his ordination to the Holy Priesthood on May 29, 1920. Mention is made of Father Lane's special interest in boys' work at Immaculate Conception Parish, Rochester, where he organized a Cadet Band and orchestra and the first Catholic Boy Scouts in Rochester.

Named by Archbishop Thomas F. Hickey to the Chaplaincy in Elmira Reformatory on March 4, 1922, Father Lane began a career which the Bulletin extolls in detail. He was named to the Board of Managers as one of the original members of the Classification Board at the Reformatory. He still serves on this Board and is also a member of the Assignment and Screening Boards.

As the years went along he instituted the practice of interviewing inmates mothers and arranged for reduced rates for families to visit the Reformatory.

He arranged for a Catholic room in the Elmira Reformatory Hospital opened Aug. 17, 1932, and instituted a yearly mission which brought praise from Dr. Frank Christian, former Reformatory Superintendent.

Father Lane organized the Holy Name Society and the Knights of St. Don Bosco in administering to the inmates' spiritual needs and discovered the need for a Chapel. In 1934 he began to raise funds for a chapel which was furnished and paid for by the time it was completed in 1938.

In the new chapel in the Reformatory, Midnight Mass has been offered, Perpetual Novena in honor of St. Don Bosco established and Lenten services were carried out.

Father Lane helped found the "Don Bosco Bulletin," first copy of which appeared on May 23, 1940.
