**LADIES OF CHARITY-- Jottings Here and There**

By Mary E. FitzGerald  
 Snow flurries and reminders of Christmas shopping! Let us hope that each Committee will remember the Birthday of the Infant Jesus. Our remembrance should be three-fold — a greater spiritual participation in the observance of this Feast, a special Committee plan to bring Christmas to some of the aged or sick or to some family, who are not financially able to have a real Christmas.

And finally, some personal Christmas Charity — especially during this Christmas season — a Charity known only to the Lady of Charity herself and to the Infant Jesus.

Clothing and Food are needed! The Committee of Our Lady of Good Counsel is in charge of the packing and shipping.

The destination is the Ladies of Charity Office in Paris, France. You would not question the need, were you to read the letter from the President of the Paris Unit of our International Organization. As usual — Our Bishop's Committee is willing to do its share. Is it too much for the rest of us — to collect a few articles of food or clothing for distribution among the destitute in France?

It's a challenge to us to carry on — and on! Just ask your Chairman to read the report of the Ladies of Charity in France.

A few drops of rain, another engagement, or a little inconvenience is excuse enough for us — when we wish to avoid our obligations as Ladies of Charity.

It is not so in France — nor in those other war-wrecked countries in Europe. How proudly our sisters over there can wear the little silver crucifix.

November 22nd is Thanksgiving Day! Already some Committees are making special plans. Your President doesn't like to smother you with suggestions for special projects. It is encouraging though — some of you are so much the Daughters of St. Louise de Marillac that you plan the extra charities as well as the regular projects.

The Friday Night Dancing Parties sponsored by the Catholic Youth Organization — (our Recreation Committee to you) are well attended. Boys and girls from the seventh, eighth and ninth years are eligible for membership. Send your boy or girl next Friday night. You are assured of proper supervision, early hours and worthwhile companions. Parents are welcome you know — as visitors or supervisors.

The Red Cross Committee recently elected Mrs. James Rouse as chairman to succeed Mrs. Daniel Kelly. It is a special honor to Mrs. Rouse, who has so faithfully carried on, through three years of heavy demands of war time. She will still be with us as Treasurer. She is too much a part of this Committee to step in the background.

This Committee is on a new schedule — hopeful that attendance will increase, so the work for the Veteran's Hospital may be carried on. They will meet on the second and fourth Wednesdays of each month (and on the 5th Wednesday, during the month) — this day except at 2 o'clock in the Ladies of Charity Rooms in the Federation Building. Let's have a full attendance to welcome the new Chairman on Wednesday, Nov. 15.
