### ROCHESTER DIOCESAN COUNCIL

National Council of Catholic Women  
Office - Catholic Evidence Library  
Main Floor - Columbus Civic Centre

Response of the National Council of Catholic Women to the War Relief Service N. C. W. C. appeal for clothing for Europe, the Philippines and China is described as "magnificent" in the New Year's message of the N. C. W. C. national president, Mrs. Thomas G. Garrison.

The need for clothing for the children and Sisters of Europe and the Far East is a continuing one, however, writes Mrs. Garrison. "During the coming months," she urges, "let us increase our efforts to relieve the victims in war-torn countries suffering from want and cold."

Referring to the recent meeting of the Board of Directors of the N. C. W. C. central theme of which was the Holy Father's address on the political and social duties of women, the president recommends the study and discussion of this address by every group.

Mrs. Garrison notes the growth and development of

diocesan councils in recent years citing a meeting attended on her recent visit to the Chicago Archdiocesan Council. She concludes by urging members to cooperate in launching the program outlined by the Pope's address.

First new year renewal of affiliation is from the Rosary Society of St. Mary's Church, Rochester.

Calls for labels for shipments to War Relief Service denote continued activity in furnishing clothing for war-torn countries.
