Almost all high school guys and gals are automatically attractive because they are young and vital looking.

But there's a way to make yourself doubly confident even after you've realized that you're young, you're energetic, and thus almost automatically nice to know and be with.

So, without neglecting the rest of your grooming routine, concentrate on that special feature. If your hair is your pride, promise yourself never to skip those hundred strokes a night...

Once you've developed your especially attractive feature, remember when you go anywhere that you are nice to look at in at least one way.

Plane Goes to Aid Marooned Missioners

Churchill, Canada. (RNS)—An airplane relief mission is being organized here to aid five Oblate missionary priests who have been marooned at Repulse Bay, Peilly Bay and Igloodik of the Arctic Circle...

Mission authorities have decided to use airplanes to bring them essential baggage, letters, medicine, ingredients for the celebration of Mass, cartridges, fishing nets, and cayibou skins.
