Holy Rosary Men Back Move To Retain Hoover

The Holy Name Society of Holy Rosary Church, Rochester, heard the legal aspects of Christ's trial before the Sanhedrin discussed by Federal Judge Harold J. Burke who addressed the society's annual Communion breakfast on Sunday morning at the parish hall.
The trial of Christ, Judge Burke showed violated the legal procedure in force at the time as well as the laws of justice. John Notnagle, president of the Holy Name group, called upon the members to counter a

move to oust J. Edgar Hoover as chief of the Federal Bureau of Investigation and also to dissolve the House Committee on un-American Affairs.
Members were asked to write Congressional letters urging retention of Hoover and passage of appropriate laws enabling the House Committee to continue.
Emmett J. Schrepp, attorney and former member of the FBI, also addressed the gathering and

lauded Hoover's record against subversive activities in this country.

Parish Urges Hoover Letters

Members of St. Andrew's parish, Rochester, have been asked to write House Representative George F. Rogers in Washington urging the retention of J. Edgar Hoover as head of the Federal Bureau of Investigation.
This appeal, following the recent exposure of a move to oust Hoover and fill an appropriations bill for the House Committee on un-American Activities, is being circulated by the parish publication, St. Andrew's Parish Digest.
A form letter containing the double petition and addressed to Congressman Rogers was passed out among the congregation last Sunday.
The letter reads: "I wish to make an urgent appeal to you, requesting that J. Edgar Hoover be retained as head of the F.B.I., and that the Committee on un-American Activities be extended for another term. Thereby you will do much for the future peace of the country."
