

New Archdiocese Formed in Canada

Ottawa — His Holiness Pope Pius XII has established a new Metropolitan Province in eastern Canada with the See in Rimouski and Bishop Georges Courchesne of Rimouski has been named its first Archbishop. It has been announced by Archbishop Idebrando Antonutti, Apostolic Delegate to Canada and Newfoundland.

The suffragan Sees will include

the Diocese of Gaspé, the former Vicariate Apostolic of Gulf of the St. Lawrence, recently raised to the status of a diocese, and the recently established Vicariate Apostolic of Labrador, which includes part of northeast Quebec. The Labrador Vicariate has been entrusted to the Oblate Fathers, who have been the pioneer missionaries throughout Canada's northland.

Q.—My husband will soon be discharged from the service due to a disability and our insurance agent states that he will have to pay a higher premium on his insurance because of this disability?

A.—If your husband continues his National Service Life Insurance he will not have to take an examination, nor will his premium payments be increased due to his disability.

Q.—Is it true that the G. I. Bill provides that monies paid by the government for education under the G. I. Bill be deducted from any bonus that may be authorized in the future?

A.—The G. I. Bill is so worded, however, the legislation authorizing the payment of a bonus may void this part of the G. I. Bill.

Q.—I have had four years in the armed forces and wish to study for the priesthood. Will the government pay for my expenses at the seminary under the G. I. Bill?

A.—Yes, for the Bill provides that you may select the school of your choice and the studies of your choice. Your age at the time of your induction would determine whether or not you would be entitled to four years of education.

Q.—Are there any lines of business that a G. I. may wish to enter that are prohibited from loans under the G. I. Bill?

A.—None that we know of, naturally unlawful ventures would not be so accommodated.

Q.—Is it true that veterans are supposed to get their old jobs back as any time they apply for same under Selective Service?

A.—The law provides that returning servicemen and women are entitled to their former positions, or ones of equal salary and position, providing they make application within 90 days after their discharge. After the 90 day period it is up to their former employer.

Q.—Should veterans join a vet-
