**Jottings Here and There**  
By MARY E. VERGHEMALS

That many-faceted Committee are making bright warm memories for us.  
The date is August 15-25 in Elmhurst. The organization of the Executive... was scheduled for Tuesday evening, April 2. Dinner was served at 7 p.m. and a real "work session" followed.

There is more to this Camp than the two weeks when it becomes a reality. There are hours and days and weeks of preparation—the careful planning of every detail—the successful effort to make this the best short term Camp in the County.

And so for you Parents! The camp of prospective Campers may be held at our office at any time. This will spare a place in the Camp for your child—and an application will be sent to you as soon as the registration is officially opened.

As the year progresses we will try to answer them in regard to Camp also. Just dial 2-4938 between the hours of nine and five o'clock.

You are most delighted with the results of the first meeting of the Camp Committee held last night. The attendance was good and the meal served by the Ladies of the Protestant Episcopal Church was better. In fact, everyone was so full of energy that the meeting was in session for two hours instead of one.

Miss Mary A. Kowalski, Chairman, Miss Margaret F. Prusak, Co-Chairman and Miss Mary E. Fitzgerald were reported by their respective groups. With the permission of the Board of Directors, the meeting was held in the Elmhurst and Channing County will be represented.

**OFFERS PARENTS' JUBILEE MASS**  
Corning—On Saturday morning the Rev. Lawrence J. Bannery of Syracuse will celebrate High Mass at 10 a.m. in St. Mary's Church, marking the 50th wedding anniversary of his parents, Mr. and Mrs. Henry J. Bannery, 180 State St.

The Commission of St. John Bannery are doing their best for their future program. At the meeting, they held on Tuesday night plans were made for a Past-Letter Card Party. Miss Bannery whirled with them also and the result of their labors was a pile of completed mending for St. Joseph's Hospital.

April 21st is Mother's Day. Of course, there isn't anything mandatory about special projects for this great Feast Day. I don't think any Lady of Charity will forget, do you?

The Big Sisters will do something special for the Little Ones. Friendly visitors will not forget the particular friends whom they love. They will be extra for the family at the County Farm when the Personal Service Committee visit there.

Senior Sisters will be thoughtfully filled by the Infant of Prague Committee for the children at St. Joseph's and the St. Ann's Sisters and St. Rose of Lima Ladies will not forget their "Mothers" at the hospital.

And also—we are asked to remind you that you may feel that it will be a great help to you if you might pay your year intention. Of course you may make your request in person. The Sisters have expressed in each letter their love of charity.

Of course—there are many who have to depend upon their Ladies, even in these days of so-called peak employment. Last Friday, they completed a warm winter quilt which will be used by an elderly man who is in bed most of the day.
