Children Are Dying of Hunger!

YOU CAN HELP THEM

Innocent children are dying of starvation and disease in Germany. Many are begging for food on street corners and digging in garbage cans for scraps. Their numbers increase daily. Soon, many of them will not have the strength to beg or search for food. **Tuberculosis keeps pace with increasing hunger.**

War Relief Services-National Catholic Welfare Conference has already sent 55 millions dollars of relief to innocent war victims in 44 countries. Now, with government permission, we are including the children, the aged and infirm in Germany. We appeal to you to help them now.

DO NOT LET THEM STARVE!

By sending a contribution today you will aid us to help the starving and diseased children, the aged and infirm of Germany. Christian Charity knows no oceans or boundaries. These children must not be left to die. Send contributions to War Relief Services-N. C. W. C., German Relief Committee, 350 Fifth Avenue, New York 1, N. Y.
