Father Gillis Says:

There is a general feeling that if the truth were told about international relations, the world would be demoralized.

Please U.N.—Tell the Truth About Poland

Whomsoever majority of Communists, that is to say the vast majority, has favored the members of the League of Nations.

The Yardstick

Walter Reuther made a slip during a press conference at the recent convention of the United Automobile Workers CIO.

A Boner

Incidentally, even though some of the editorialists would like to imagine otherwise, he still subscribes wholeheartedly to the principle of wage increases without price increases.

It goes into every heart, it goes into every mind, it goes into every soul.

The time seems ripe to have our anti-Communist campaign re-examined.

Well, let's relax a little while we take an objective look at the record.

Reuther's a practical sort of fellow. He's realistic. He knows his corporations.

AS WE SEE IT

Bang Goes Bing

Bing Crosby has let us down with an awful thud. That party in the entertainment world.

Shopping Companion For The Next 90 Days

The Temple films opened a new era in the film capital. Now they turned to Dickens.

Capital and Labor

Capital and Labor are now at war about their future relations. And a bittered reaction.

Soviet System Exposed

Washington — (Editorial) — The most damning book ever printed on the Soviet system.

Baptized in Christ

White is the color for Easter. White the vestments of the priest of the altar.

Mixing in Society

Since Stansbury's column in the New York Times, the subject of the mixed class has been a hot one.

Man-Maker

We are all blind until we see that in the human plan, nothing is worth the making.

Christ Proved His Divinity!

If Christ had not risen on the third day, He would not have fulfilled the prophecies.

Not Death But Life

Mary Magdalene, Mary the mother of James, Salome, these were the women who started out on the first day.

Man-Maker

We are all blind until we see that in the human plan, nothing is worth the making.
