

Our Victory Song

By REV. ROY E. MURPHY
Diocesan Director for Radio

During these months of the year when we observe the anniversary of the Resurrection of our Lord, we are reminded of the victory which was won for us by the blood of Jesus. It is a victory which has made possible the redemption of all men. It is a victory which has made possible the redemption of all men. It is a victory which has made possible the redemption of all men.

A BLESSING OF THE TIES

The basis of American Democracy is Christian. The founding fathers were religious, God-fearing men. They conceived this great nation of ours on the principle of separation of Church and State, but never on the principle of the separation of religion and the State. Religion permeates the Declaration of Independence. Therein mention is made of creation—'all men are created equal'.

National Council of Catholic Women—The Need for the NCCW

By Rev. Albert J. Shannon, Director

We lose our Democracy when we cease to be democratic. Democracy means freedom. Freedom means responsibility. Responsibility supposes knowledge of the reasons why. If we continue to be irresponsible citizens, therefore, it will not be long before we shall cease to be free men.

Cardinals' Dean 95 Years Old

Vatican City—(Radio, NC)—His Eminence Gemaro Granzo Cardinal Pignatelli di Belmonte, Dean of the Sacred College of Cardinals and Prefect of the Sacred Congregation of Ceremonies, has celebrated his 95th birthday. His Holiness Pius XII bestowed the Apostolic Blessing and conveyed his felicitations on the anniversary.

As we solemnly pursue the joys of the Easter season we must more and more determine to be faithfully and serve faithfully our great Leader Christ. For he who cannot sing the glorious notes of the 'Te Deum' is not fit to be a member of the Church.

Teen-Age Dance Beginners Get Some Tips from Sheila

By SHEILA JOHN DALY
If you're an agile young dancer whose gyrations on the dance floor would put Kelly to shame, this is not for you. Or if you're a talented girl with so much savoir-faire that you could teach Arthur Murray himself a thing or two about ballroom dancing, you're not for this either.

Church's Swedish Position Better

Information Desk Explain 'Easter' Name?

What is the meaning of the name "Easter"? "Easter" is a word derived from the Anglo-Saxon proper name "Eostre" the name of a goddess of dawn and spring revered by the Teutonic peoples of Northern Europe. At least this is what St. Bede (672-735 A.D.) tells us, and he was of Anglo-Saxon origin. His authority here is not too great, though, because there is no other reference to such a goddess in known Teutonic literature.
