For nineteen hundred years an Empty Tomb has challenged the world to make a decision...

They rested according to the commandment... St. John tells us that 'there was in the place where He was crucified a garden...

Human hands tampered with His Tomb. Very early on Easter morning the holy women came with the spices and ointments...

From that first Easter morning when Jesus Christ rose from the dead until this present moment the Holy Sepulchre or Tomb of Christ has been the object of undying attention and veneration...

Crusaders' Basilica. In 1130 the Crusaders, dissatisfied with the existing monuments over the Sacred Place, connected the principal sanctuaries by a central basilica...

substantially the same. Archaeological investigations have established beyond reasonable doubt that the present Basilica of the Holy Sepulchre in Jerusalem encloses within its walls the burial place of Jesus Christ...

Christ had died on the Cross. Already the sun was descending rapidly in the west. It was settling would mark the beginning of the Sabbath when all work was forbidden...

Returning quickly with a large piece of cloth to enfold the body and some smaller strips to bind it, he was joined by Nicodemus, another secret disciple of Christ...

Blood-Stained Body. Without doubt they first washed His blood-stained body. Then they wrapped it in the fine shroud and bound it about with the linen bands...

Church Life Progressing In Germany

By MAX JORDAN

Berlin (UPI) — "The Church in Germany today enjoys far greater freedom in the conduct of her affairs than she ever had under the Nazi regime..."

St. Paul in his first Epistle to the Corinthians (15, 6) also speaks of an occasion when Christ was seen by more than 500 people at once...

Birth Control Factor Seen In Colonel's Talk in Japan

(By N. C. W. C. News Service)

A newspaper report of an interview by an American occupation official who said the reduction of Japan's birth rate was one of three possible solutions to what is called a fundamental cause of war in that country...

Colonel James S. Hays, who carried out the interview, is at present on duty in Japan. He has been in Japan since the end of the war. He has been in Japan since the end of the war. He has been in Japan since the end of the war...
