

Norway Honors Doctor Meitner

Washington (NC) — Dr. Eise Meitner, the Viennese physicist who is serving as visiting profes-

sor of physics at the Catholic University of America, has just been elected a member of the Academy of Science of Oslo, Norway, according to word received here.

The distinction was awarded Dr. Meitner for her work in nuclear physics in which she was the first to hint at the approach of the atomic age.

Dr. Meitner recently addressed the American Physical Society in Cambridge, Mass., and is scheduled for a number of other speaking engagements.

On May 27, Dr. Meitner will begin a three-day course of lectures at Purdue University, and on May 30 will address physicists and students of physics at the University of Illinois.

Grill Team Cops Tourney With 3030

The 1946 championship crown in the Holy Name Bowling Tournament was won this week by Cara & Meig Grill of Rochester with a 3030 total.

This mark eclipsed by nine sets the previous high of 3021 set by Decker Dairy early in the tournament which was held at Culver Hall, Rochester.

Tournament officials announced that all teams rolling 2750 or more will be in the prize money, the official list of which will be announced later.

A 647 total by Burke paced the tournament champions to their new crown. Team totals were 297, 1020 and 1013. The team shot with a total handicap of 44 pins a game.

A group of Auburn teams took the drives on Sunday and St. Francis No. 2 team came out on top with 2729.

Unofficial results list the first five teams in the tournament as follows:

Table with 2 columns: Team Name, Total Score. Includes Cara & Meig Grill (3030), Decker Dairy (3021), Cherokees (3014), Balco Engineers (2987), Masters Furniture (2986).

New Shot Put Record Set

Los Angeles (NC) — John Helwig, 18-year-old senior at Mount Carmel Catholic High School here, unofficially shattered the United States shot put record for prep school athletes on April 29 when he tossed the 12 lb. iron ball 59 feet, 4 1/2 in. to surpass the recognized mark of DeWitt Coulter, great college tackle at Army, by 2 1/2 inches. Coulter, who starred on the gridiron for the undefeated Cadets during the 1941 season, threw the shot 56 ft. 1 1/2 in. when he was a student at Masonic High School, Fort Worth, Texas, in 1943.

Although it was believed at first that Helwig's mark would be accepted, since a certified C. I. F. official measured the record, it was discovered later that the "ball" used by the Mount Carmel athlete was one ounce under the required weight. The youth, who is 5 ft. 3 in. tall and weighs 191 lbs., will get two more opportunities to officially crash the record column before he graduates in June. He is slated to compete in both the Southern California All-Catholic High School Meet and the Southern California C. I. F. Track and Field Championships later this month.

Card. Tien Gives Chinese Course

Chicago (NC) — An unscheduled course in Chinese found its way into the curriculum at Loyola University here, the professor being His Eminence Thomas Cardinal Tien, S.V.D., Vice Apostolic of T'ing-tao, China.

It happened during a visit the Cardinal paid to the university. A sophomore in the high school department, Richard Chu, son of a Chinese father and French mother, met the Cardinal. Through an interpreter, the Cardinal learned the student's name and also that he could not speak Chinese. The Cardinal made a few imaginary strokes with a brush to show the youth how "Chu" is written in Chinese, but the student just looked puzzled. "You don't know how to write your name?" the Cardinal asked. "Not in Chinese," said the student.

"Well," said the Cardinal, and forgetting all about his well-thought itinerary, proceeded to show the youth how a neat "Chu" is written in Chinese.

Pope Assists at Marriage Vatican City (NC) — His Holiness Pope Pius XII has assisted at the marriage of Donna Beatrice Sacchetti, daughter of Marquis Giovanni Battista Sacchetti, Steward of the Apostolic Palaces, to Marquis Antonio Malvezzi Campegli. The ceremony took place in the Consistorial Hall.

Pope Bids U.S. Navy Officers To Christian Leadership

Vatican City (NC) — Leaders, too, must be led and need the inspiration of the example of Christ, His Holiness Pope Pius XII told a group of American naval officers, headed by Admiral Henry K. Hewitt, commanding United States naval forces in Europe, whom he received in audience during the visit of the USS Missouri to Italy.

"It has always been the tradition of the U. S. Navy," the Holy Father said, "that its officers, whether in times of peace or in moments of extreme danger, should exemplify in an eminent degree those qualities of leadership without which no one can hold the respect of those under his command."

"To this end your traditional training is directed and what is still more important, to this end, likewise are inculcated those principles of conduct which result in true nobility of character. Leaders must be their own men, for they, too, are but men."

"They too need the inspiration of the example of Christ, His Holiness Pope Pius XII said. 'None other would be worthy of imitation, for He is both human and Divine, God and Man.'
