Father Gillis Says:

'There is Blood On Our Hands!'

The Yardstick

By Rev. Francis MRP As

Sometimes I wonder what and how much the readers of this column will stand...

The doctrine comes from the Sacred Scriptures and therefore God. The latest instance is in Monsignor Ronald...

What is the real significance of the victory of the Popular Republican Party (MRP) in the recent referendum in France?

As follows: "French go Moderate... 'New Deal' Charter Rejected by Voters Likened to CIO-PAC's Proposals for U. S."

What if I propose a mystical truth which lies between the two eyes? Are you ready? Do you say 'Yes' or 'No'?

Believe Ronald Knox, a Russian of the Orthodox faith, Nicholas Berdyaev had told the members of his Church that they themselves were responsible for Bolshevism.

Having agreed however on this central conclusion, the two communists proceed to draw certain other conclusions which are explicitly contradictory.

There are some who will feel, however, that Mr. Krook's analysis is inherently fallacious, regardless of the future verdict of history.

The Cardinal's Poem
