Father Gillis Says:

A Warning Which Fits Our Needs

The Yardstick

Slows Legitimate Social Reform

To the dozens of seminars when I was a student...

Another part of the Cardinal's address which I particularly like...

There is among our "Statesmen" altogether too much of that sort of bluffing...

Whether Cardinal Griffin had in mind the temptation now besetting some of his fellow citizens...

The fight for a certain degree of personal liberty has been going on in our country since the days of King George III...

These are the things which I like in his remarks so much.

First: while admitting that democracy is not the only sound form of government...

Second: while admitting that democracy is not the only sound form of government...

Third: while admitting that democracy is not the only sound form of government...

Fourth: while admitting that democracy is not the only sound form of government...

Fifth: while admitting that democracy is not the only sound form of government...

Sixth: while admitting that democracy is not the only sound form of government...

Seventh: while admitting that democracy is not the only sound form of government...

Eighth: while admitting that democracy is not the only sound form of government...

Ninth: while admitting that democracy is not the only sound form of government...

Tenth: while admitting that democracy is not the only sound form of government...

Eleventh: while admitting that democracy is not the only sound form of government...

Twelfth: while admitting that democracy is not the only sound form of government...

Thirteenth: while admitting that democracy is not the only sound form of government...

Fourteenth: while admitting that democracy is not the only sound form of government...

Fifteenth: while admitting that democracy is not the only sound form of government...

Sixteenth: while admitting that democracy is not the only sound form of government...

Seventeenth: while admitting that democracy is not the only sound form of government...

Eighteenth: while admitting that democracy is not the only sound form of government...

On May 15 Mr. Joseph P. Kennedy, former Ambassador to Great Britain...

The accuracy of this comparison is open to serious debate...

The accuracy of this comparison is open to serious debate...

So that as it may, however, one questions the wisdom and the accuracy of trying to refute the claims of the British Labor Party...

The "socialism" of the British Labor Party (if it must be referred to as socialism is a perfectly legitimate program...

substantially to the settlement of our numerous and varied problems as a nation...

Secretary Byrnes' radio report to the nation has been held to have made it clear that if Russia continues to block the calling of a peace conference...

There have been only three native-born priests in the history of the Southern Appalachian mountains...

Washington - Something which the Administrative Board of Bishops of the National Catholic Welfare Conference said in a public statement last April...

The Bishops' statement, which was primarily a plea for aid to those large groups of fellow human beings who are suffering from famine...

Secretary Byrnes' radio report to the nation has been held to have made it clear that if Russia continues to block the calling of a peace conference...

There have been only three native-born priests in the history of the Southern Appalachian mountains...

Scandal in the Reich

Washington - The stories that are coming back with the dispatches and delayed or discontinued foreign correspondents...

The American zone is the scene of a deliberate strengthening of the Communist band in Germany...

The team was headed by a Lt. Edel, formerly correspondent for the party line paper, Mr. Marshall Field's subsidiary...

In July of last year they started a news bulletin for the military personnel and the military press...

Long used to hearing of our great news services, the Germans were quite puzzled by the information about their own press...

Five months ago it was decided that in April DANA would be run by Germans...

These are the seven of the board are avowed Communists...

These men are intent on dominating the means of social control in their area...

These men are intent on dominating the means of social control in their area...

Subscription rates: Single copy 5 cents; 12 copies 50 cents; 1 year \$5.00; 6 months \$2.50.

For Labor Peace - Rochester has had its labor showdown, on a protest by union groups against the city's refusal to honor or recognize them.

The first proposals looking to a settlement through a coming together of the parties concerned are now in the making.

With the settlement in sight, with the prospect of labor peace in the city, we look for a renewal of friendly relations between the BWV and all its employees.

These are the things which I like in his remarks so much.

First: while admitting that democracy is not the only sound form of government...

Second: while admitting that democracy is not the only sound form of government...
