CHARITY IN ELMIRA - Jottings Here and There

Who says the Ladies of Charity are not generous? These young men are fully qualified to super-vise various camp activities. More important, however, you can trust the spiritual welfare of your son to these leaders. It's worthy of quick action! Why not register your son immediately.

Not to those you label problems - but to your sons and daughters - through a well supervised dancing party each Friday evening, the Sacred Heart League, the Sisters.

Great will be the return on this particular labor of love - paid in the coin of the realm - toward which each loyal Lady of Charity is thoughtfully journeying.

Considerations as usual to the Committee of Our Lady of Good Council. That was a delightful dinner meeting - held at Mrs. Lutz's Thursday - and a fruitful business session.

We think this Committee was the first to plan to sponsor a Campaign for the Holy Ghost. Our plans were primarily planned so that we could provide teachers not only for our sons and daughters - but for a few boys and girls - who otherwise would not know the delight of a Camp Vacation.

We were firm between the central it was then came together that the Executive Council had a picnic supper in the St. Louis de Marillac Hall, preceding their business meeting.

And this appeal is genuine! We need - desperately - members for this particular committee. Granted there may not be much chance to see him or her after work hours - but he or she has been at it all during the day.

Not only you who are expected are of value to us on this committee, which incidentally does have a few things to include are a share in the Dominican Monastery project and the sponsoring of a dear lady assisting her with the extra because she does not have anyone of her own.

And this work does have to be done! There is no other solution except a paid secretary which expense we could not meet - unless we sacrificed some of our major labors of love.

So what can you do about it? Return to an active participation in the program. If you are a temporarily inactive member of this committee - or if you are qualified - and intend to become a Lady of Charity - You might join this Committee. We have many, many needs - but this is not by far the least.

And you who have been faithful - please be candid! Let's strive to bring the Secretarial Committee into a chosen place in the sun - close to the heart of our great founder - the Apostles of all Charity - St. Vincent de Paul.

We are back after three days at the National Conference of Social Work. It was an excellent conference but a shocking one. Not once did we hear a reference to God or religion nor did we read a single line which outlined spiritual treatment.

Just imagine - trying to find the answer for tangled human behavior who are struggling helplessly in a madhouse of clinging difficulties. Endeavoring it seems - to play God - but leaving Him entirely out of all arrangements.

Thank God for Catholic Social Work and Workers, even though we sometimes fall short of our goal.

Camp Villa Maria - Yes, the dates are August 16 to the 27 for the boys and the 23 to the 29 for the girls. Ages are 9 to 14 for both camps.

Good News! The Senior Staff for the Boys' Camp will be entirely made up of Samaritans!

Wine Highest Honor At Teachers' College

Corning - Miss Betty Rose Hill, daughter of Mr. and Mrs. Theodore C. Hill, 233 Walnut St., this city, who is a Junior at the New York State College for Teachers, Albany, was honored by recent classmates when she was admitted to membership in Phi Kappa Phi, the senior honorary organization of the college. This is the highest honor conferred on a student for participation in extra-curricular activities.

Miss Hill, a graduate of St. Mary's Episcopal School and Corning Business Academy, has been secretary of her class. She is president of the Delta Chapter and is an initiator with the College Chapter of Sigma Xi Club.

St. Mary's Pupil Wins in Contest

Corning - Paul Wendorlich, eighth-grade student at St. Mary's school here and son of Mr. and Mrs. E. A. Wendorlich, 249 W. Second, placed among the 10 winners of a national contest for elementary school pupils held by J. B. Lippincott Co. publishers, the company announced recently.

Paul's prize, awarded for a dramatization of "Mystery of the Secret Drawer" by Helen Fuller Sutton, a novel published by Lippincott, consists of 10 books of his own choice from the company's new catalog.

Another Corning student, Lida Holland, in the eighth grade at St. Vincent de Paul's school, who is the daughter of Mr. and Mrs. Norbert Holland, 323 Imperial avenue, Painted Post, received a letter of appreciation from the publishers for her entry in the contest.

Entrants were sponsored by Miss Mary L. McCabe of the Corning Memorial Library.

Negroes Lead 6-1 Among Order Converts
