Men and Power

By John O'Connor

This latest book by Henry J. Taylor is actually two books in one. He succeeds in handling one effort very well, unfortunately in the other. Men and Power, Dodd,

[illegible] Henry J. Taylor, newspaperman in a [illegible] He is a practical [illegible] world traveler, foreign correspondent [illegible], a Hoosier executive [illegible] an American of great [illegible] integrity. He is [illegible] in right-wing circles [illegible] his conservatism and his [illegible] of sound economic principles. He is bitterly attacked by the left-wing for his [illegible] and his [illegible] of State [illegible] isolationist.

[illegible] chapter he [illegible] Mr. Taylor [illegible] Hitler's final retreat. (Many of the [illegible] press reported some of the "exclusive" stories — [illegible] they are and you [illegible] the rest of them.)

It is while he is at the late Führer leader's beloved house [illegible] that he begins to think of the message [illegible] that made men on such [illegible] and into such [illegible] He begins to think of [illegible] And this is [illegible]

[illegible] he [illegible] as the [illegible] [illegible] concerned, he [illegible] [illegible] in mind of developing the [illegible] important thesis up [illegible] [illegible] [illegible]
