CHARITY IN ELMIRA— Jottings Here and There

By MARY M. FITZGERALD

Calling all Ladies of Charity! Inviting you to do special honor to our founder, St. Vincent de Paul on his feast day, July 12, and on the following Sunday, July 21. This is especially so since the cause of the poor is so important to you. We are organizing a special service at Our Lady of Lourdes Church. It will take a very small part of your evening, but it is a privilege for which you should be grateful.

You are a member of the oldest lay charitable organization in the world. The beautiful spiritual harvest which you reap through your spiritual and material works of mercy is a very precious thing. It is the harvest of the great Apostle of Charity himself and organized the new International Society of the Ladies of Charity.

Two hundred years after the death of St. Vincent de Paul, the Society of the Ladies of Charity was founded. It is a very old and venerable organization. It is the only one of its kind in the world. It is the only one of its kind in the world. It is the only one of its kind in the world.

Ask the Big Sisters what they think of the Ladies of Charity. They will tell you that it is a very good thing. They will tell you that it is a very good thing. They will tell you that it is a very good thing.

On this as on all telephone nights, we remind you that all these messages can be entrusted to your telephone. We are very anxious to hear from you. We are very anxious to hear from you. We are very anxious to hear from you.

Also — you will be called by Mrs. Frank W. Gorman, Chairman of the Executive Committee. She will give you an hour on First Fridays — asking that you arrange each month to have an hour as possible of your own time — to act as a Guard of Honor in Rosary Chapel at the Dominican Monastery.

It will be a monthly rendezvous — but it will be with a happy atmosphere — the same intimacy of a visit with a friend. It is being started as a summer project, but it will be a year-long project — long at least July and August.

And, my voice now takes an apologetic tone — because all this is coming pretty close together. Mrs. Edward P. Dewey Camp Villa Maria K. P. Chairman will also be visiting your homes.

Her request will be that you arrange for some of the members of your committee to help on the extra in the dining room and kitchen at Camp Villa Maria. We hope that each committee will take over for at least one day. We can't tell you yet — what there will be to do — because the need will vary each day. You may come early and stay late and even on the day a few hours — you will be of real service.

Why this call? We will just never balance our budget unless you do come to the rescue. The change in food prices — was not considered when we set our rates — and the carpets and paint and will eat — come what may. Supplies are now being purchased — and we are definitely needed several good little things.

The registration for the Girls Camp is closed — at 110. A number of vacancies still exist in the boys. It will be well supervised — you can safely trust your son to us. He will attend Mass daily, receive Holy Communion if he wishes — and be under the guidance of a splendid group of Senior Sisters.

We register immediately — because we will not go over the 100 mark for the Boys Camp. We can't even promise you that we will still have openings when you read this column.

And speaking of Staff — of course we — the need is not imaginary — the need is real. We need a number of qualified Senior Sisters for both DeKornatics and Sports.

Can you help us yourself? If so — will you please stop right here and try to think of some way for us — Please do — our telephone number is 2-3738.
