Stand by Pope, Prelate Urges

Prague — (NC) — In his first pastoral, the new Bishop of Brno in Moravia, the Most Rev. Karel Skoupy, urges his flock to remain loyal to His Holiness Pope Pius XII and warns them that the enemies of the Church seek to drive a wedge between the Sovereign Pontiff and the faithful. Pointing out that the Holy Father enjoys "uncommon respect of prominent statesmen, even of those who are not Catholics," the Pastoral states: "When we shall have received for personal all his utterances — which were silenced — when everything has become known of what he has done for peace and the salvation of the world, what he has done to alleviate the misery caused by the war, then the perfidy of the present campaign against the Holy Father will stand fully revealed."

German Catholic Action

Berlin — (NC) — The Volksverein fuer die Katholische Deutschland, Catholic Action organization of pre-war Germany which maintained its headquarters in Munster-Gladbach and was suppressed by the Nazi regime, will be reestablished on a national scale.
