

Year of Progress

Catholic Labor Day Statement

Special Action Department, National Catholic Welfare Conference, Labor Day, 1944.

Today we recall with gratitude and with satisfaction the goals which have been achieved since the establishment of Labor Day, over 50 years ago, as a day of national observance. The labor movement has grown from a handful of men in a desperate struggle for recognition to a powerful force in the life of the nation...

Soviet Perils Peace

K. C. Tells Americans

Miami Beach—(NC)—The 610,000 members of the Knights of Columbus have set the members to the task of informing Americans of the threat to world peace that is inherent in the Soviet policy of ruthless expansion and government by terrorism...

The society also went to record as favoring the entry of Italy into the United Nations Organization, declaring that the very heart of Europe is essential to the peace of Europe...

The resolution in regard to the activities of Soviet Russia and Atlantic Communism was prefaced by the charge that Russia, through subterfuge and force, has violated the lists created in the Atlantic Charter...

1) Extension of the coverage and the benefits of social security legislation. 2) Extension of effective price control legislation to the danger of inflation has been added.

3) Provision of adequate housing in cooperation with private interests. The government will the most effectively fulfill its purpose in economic life if it actively encourages the functional economic groups in society to cooperate with authority and responsibility...

Catholic College For Farmers Urged

Collegeville, Minn.—(NC)—A Catholic college of agriculture, distinct from any of the existing Catholic schools in that field, was urged by Most Rev. Luigi Liguori, executive secretary of the National Catholic Rural Life Conference...

Monseigneur Liguori told the 100 persons that "Protestants are training their missionaries in farming so that when they go to South America and other places they can be of help to the people. Where can Catholics send their missionaries and brothers to farm and help the people to farm and help the people to farm and help the people to farm..."

Polish Catholic Press Hits Public Killings

New York—(NC)—Public executions of war criminals have met with severe criticism in the Polish Catholic press, which condemns them as highly dangerous in a moral and social sense and as a return to the shameful methods of past times...

The dispatch quotes an article in the Catholic newspaper, "Praca i Wzrost," which criticizes the public hanging of German condemned men in Gdansk (Danzig). More than 40,000 persons witnessed the execution...
