Priest Directs Boys' Town Choir Coming Oct. 21

Leader and director of the Boys' Town choir which will sing at Eastman Theater on Monday, Oct. 21, is the Rev. Francis E. Schmitt, who has been assigned to the St. Rose parish.

Under his able direction the choir has grown from 35 to 100 voices, although the number of voices for the 1942 concert tour, first in Boys' Town history, was limited to 40.

That the concert tour will be an outstanding success was proved in the choir's opening concert at St. Paul's Sunday night. More than 3,000 persons, one of the largest audiences ever to attend a musical event in that city, turned out for the concert.

The choir's coming Rochester appearance already has attracted wide interest throughout the community, especially among Catholic groups.

2 Cherished Rosaries Donated for Greece

Albany — (NC) — A second shipment of rosaries for the Catholic people of Greece is now being prepared in the Family Rosary Center here.

Already 20,000 rosaries have been received in answer to the appeal for 50,000, by May Crosby, and they are still coming from all over the United States and many foreign countries.

Many rosaries bring with them touching stories. From England a soldier wrote that the rosary he sent was his constant companion in the trenches.

A mother in the United States sent the beads that had been taken from the body of her son who was killed in action in Europe.

She could think of no finer way of helping to restore the peace for which her son fought, she said, than by sending this precious possession to the Rosary Appeal.

The drive will continue until the 50,000 rosaries have been received at the headquarters of the Family Rosary at 825 Madison Ave., New York.
