Sodalists and Rosary

By REV. ROY E. MORPHY

Dioecesan Director for Sodalities

"Ad Jesum per Mariam... It is hard to think of anything which surpasses the bringing of souls, especially of our youth to God through His Blessed Mother Mary.

This year when we put the Rosary into the hands of our Sodalists we can remind them that it is a weapon. We can tell them that those who wield it bravely and with faith need fear no marching foe.

Apparitions Recalled... It is the Mother of God herself who offered to the Rosary as the cure against a strike down the enemies of her Son.

Q. Is adultery the only sin which violates the sixth commandment? A. God intended the sixth commandment for married people.

Potent Weapon... In the Rosary, Sodalists will find a weapon powerful enough to win great battles and save the world. It isn't a weapon that threatens to engulf the world in flames.

Q. When was the use of holy water introduced into the Church? A. The use of holy water in Catholic churches goes back probably to Apostolic times.

Sick Nun Describes Red Cruelty

Tokyo - (NC) - Scrolling from her hospital pillow, the frail little nun told how she and her companion made their way from Soviet-held northern Korea to war-stricken Tokyo.

She is Sister M. Magdalena, a Benedictine nun from Wood Lake, N. Y., who came to Korea in 1933. The only other Japanese in the community is Sister M. Xavier.

It took her two days to reach the 35th parallel (dividing line between the two zones), said Sister Magdalena. "We traveled part of the way on a very slow train, and the other part on foot."

A Winter of Suffering Faces Germany

According to a United Press dispatch from Berlin on September 19, 1946, Lt. General Brian Robertson, deputy British military governor predicts that "cold will vie with hunger as the forces of privation bear down on Germany this winter.

MANY MAY DIE! Unless the people of Germany receive more food, clothing and medicine now, many of them will be unable to survive the hunger, disease and cold of the coming winter.
