Hollywood In Focus

By W. H. Moring

It was going to be good, I thought, to get away from Hollywood and all its vanities for quiet vacation.

Here is a tremendous responsibility and I cannot help feeling that when she meditates, Miss Parsons must often regret that her column demands of her such frequent reference to the tragedies of Hollywood success.

Does Louella Parsons see these Hollywood movie people as a set living in a world all their own? she asked me.

Does Louella Parsons seriously believe that actors are different from other people? I do not believe so.

One word used by Louella in Hollywood and I've known her for a good ten years strikes me most forcibly.

Indians First Think of Mass

Some members of the Sioux Indian tribe from the Rosebud Indian Reservation, Montana, South Dakota, participated in the Debouche commemoration of the Iowa Centennial.
