Academy's Diamond Jubilee Opens at Pontifical Mass
(Continued from page 14)
The Nazareth Academy Alumnae Association was founded in 1863. Members will take an active part in the Diamond Jubilee program. The Association became affiliated with the International Federation of Catholic Alumnae in 1921.
Through the course of its history, Nazareth Academy has grown and developed. Today it affords its students a rounded educational curriculum and an opportunity to utilize their abilities and interests in extracurricular activities. These include schools clubs, a student council, religious organizations, dramatic presentations, a Peruvian choir and orchestra, a newspaper, citizenship projects and an athletic association.
The faculty points out that above all Nazareth Academy students receive today as in the first Nazareth, a Catholic training in Christian principles equipping them to choose and fulfill justly their state in life. Students are equipped for life in the home, in the hospital, in the work of social service, in the classroom in the business world, in the cloister and to exert a spiritual and moral influence as responsible members of the community in which they live.

Triple Bunk
A graphic example of American ingenuity is this method three freshmen at St. Benedict's college, Atkinson, Kansas, used to beat the housing shortage at the college. They simply stacked their bunks on top of each other. The Rev. Jerome Merwick, O. S. B., prefect in Freshman Hall, where the triple-decker bunk is a major attraction, passes into the class heights at the upper bunkmate, Donald Detherton, of Tulsa, Okla. On the middle bunk is Jack Wald, also of Tulsa, and sitting on the bottom bunk is Joe J. Trojahn, Yonkers, of Ecuador.
