

Cardinal Asks Holy Name Drive On Communism

Chicago — (NC) — Sounding the keynote of an educational drive against communism launched by the 200,000 members of the Chicago Holy Name Societies, His Eminence Samuel Cardinal Stritch, Archbishop of Chicago, declared "Never in the history of the world has there been such an organized effort against God as there is today. I refer directly to communism."

The Cardinal spoke at the annual meeting of the Archdiocesan Holy Name Union, at which more than 1,000 delegates from some 400 parish Holy Name units were in attendance. Viewed as a possible spearhead for similar action by Holy Name and other societies throughout the nation, the resolution calling for the educational drive here, was adopted at the meeting following the address by the Cardinal.

Men to A Dream

"The communists' followers," Cardinal Stritch said, "are like men who are caught in a dream, but do not realize that it is a dream that cannot come true."

The resolution adopted by the Union asserted that U. S. communists are undermining the basic principles of the government and the integrity of family life while masquerading as lovers of democracy under the United States Constitution.

The Rev. Edward J. Kelly, executive director of the archdiocesan organization, said the educational drive will be conducted in meetings of the Holy Name Societies of the 435 parishes in the archdiocese. He declared that the nation particularly should heed the expose of communism in this country currently being made by Louis F. Budenz, former editor of the communist Daily Worker who has returned to the Catholic Faith, through his writings and his testimony before Congressional committees in Washington.

British Clergymen End German Tour

London (NC) Bishop Edward Ellis of Nottingham and Msgr. Laurence P. Emery, Vicar General of the Archdiocese of Birmingham, were among the Catholic representatives in a group of British church leaders who have returned from a tour of the British zone of Germany.

A conference with German church leaders, including Archbishop Loring Jager of Paderborn, took place at Herford, Westphalia where a Catholic service was held. The British clergymen visited Cologne, Hamburg, Bonn, Dusseldorf, the Ruhr and Berlin where they met the two chairmen of the German Christian Democratic Union, Dr. Jakob Kaiser and Dr. Ernst Lemmer.
