

Wishing Everyone
The Merriest and
Happiest
OLD-FASHIONED
Christmas

IN A WORLD OF
PEACE

WISH the true peace and happiness of the
first Christmas be yours on Christmas
Day. The joy of your loved ones near
you, with heart wishing gifts to cherish and a
prayer of thanks for God's generosity to all of us
in America who have been showered with so
many blessings.

That, during the coming year, God, in
goodness will send in ample supply the Fruits of
the earth to those less fortunate of the famine-
stricken areas.

“Glory to God in the Highest
Peace on Earth to Men of Good Will”
