CHRISTMAS DAY-1946

A Contrast

What a wonderful day it was for the children of America despite strikes, high prices and the absence of real peace.

They went to Mass.

They listened to Carols.

They received the Christ Child into their hearts.

They visited the crib.

They exchanged gifts with their loved ones.

They had dinner in their warm homes surrounded by their families.

CHRISTMAS DAY IN GERMANY

Many children went to Mass, but in a cold bomb-scarred church.

Many listened to Carols—shivering.

Many received the Christ Child in their hearts.

Many knelt before the crib.

BUT MANY HAD NO gifts to exchange:

NO homes in which to have dinner.

NO food for even a meal

NO loved ones to gather round them.

GIVE TO THE CHILDREN OF GERMANY. IN THE NAME OF THE INFANT JESUS, THE PRINCE

OF PEACE. (Contributions to War fielief Services-N.C.W.C. are deductible for income Tax purposes)
