Applications must be filed with the Scholarship Committee of the New York State Council not later than March 22, 1947. The examinations will be held on Saturday, May 3, 1947 at centers to be announced throughout the state.

Each scholarship will entitle the holder to receive $100 a year for four years, to be applied in whole or in part to defray expenses for tuition, books and maintenance in any college in the United States conducted under Catholic auspices and whose scholastic standing is equivalent to the college empowered by the Regents of the University of the State of New York to confer degrees. Scholarships for girls are awarded only for Catholic colleges for girls and not for coeducational institutions. The acceptance of one of these scholarships does not preclude the holder from enjoying any other scholarship he or she may win. The award for each year will be conditional on the holder's gaining a satisfactory record during the preceding year.

LCBA in New Home Office Buys Half Million in Bonds

This beautiful home in Erie, Pa. has become the Home Office of the Ladies Catholic Benevolent Association. Supreme Officers met there, this month.

Purchase of $500,000 in United States Treasy 2½ per cent bonds was authorized at a Board of Supreme Trustees meeting of th Ladies Catholic Benevolent Association held in the new Erie, Pa. home office. Mrs. Anna T. Ryan of Rochester, a supreme trustee, attended the meeting.

A reception to honor the Most Rev. Mark Gannon, Bishop of Erie, who accepted the position as Supreme Spiritual Advisor of the Association in July, was held by the supreme officers in the newly acquired Home Office, 305 West 9th St., Erie, Pa.

Bishop Gannon blessed the Office and was assisted by the Rev. G. Gerald Dugan, pastor of St. Andrew's Church, Erie, Pa.

Miss Bertha C. McEntee, Supreme President, extended a welcome and Miss Lillian Sullivan, President of the Erie Senate presented Bishop Gannon with a check for $1,000 from the L. C. B. A. members of the Erie Diocese to be used to install a stained glass window in the new College Library which is now being built.

Bishop Gannon congratulated the Association on having secured such a desirable building for its Home Office and thanked the members of the Erie Diocese for their contribution to the building fund. He referred to the "Kate Mahoney Memorial Fund," established in her memory to carry on the work for the deaf and expressed the hope that in every section there would be L. C. B. A. groups linked to "Ephpheta Ladies of the L. C. B. A."

A member of the Juvenile group, Carol Gehrlein, extended greetings to Bishop Gannon and referred to the fact that his mother, Mrs. Julia Gannon was one of the pioneer members, being admitted in March 1890, one month before the Association received its Charter.

In addition to the Board of Supreme Trustees, other Supreme Officers attending were: Supreme Recorder, Miss Margaret M. Carroll, Erie, Pa., Supreme First Vice President, Miss Bertha Leavy, Pittsburgh, Pa., Supreme Second Vice President, Miss Annette Yoest, Syracuse, N. Y. and Editor of the Fraternal Leader, Miss Rose Callahan, Batavia, N. Y.

Reports made by officers indicate that there has been increased interest in work for the deaf since July, when Bishop Gannon became Supreme Spiritual Adviser.

The reception was attended by members of the clergy also leading City and County officials. Large groups were present from Corry, Albion, Titusville and Pittsburgh, Pa., also from Cleveland and Toledo. Rev. Francis J. McGlynn, St. Thomas Aquinas Church, Cleveland, accompanied the group from that section.

Man Who Worked Up from Bottom Named G & E Head

A. M. BEEBEE

A Rochester boy who began at the bottom, became president of one of his city's largest industries when Directors of the Board of Rochester Gas and Electric named Alexander M. Beebee to that post at its December meeting. Mr. Beebee succeeds Herman Russell who was moved up to the post of Chairman of the Board. Edward G. Miner was named chairman of the Executive Committee.

Mr. Beebee began his career with the Rochester Railway Co. while he was a student at Cornell. He worked as a laborer in the underground for 22 cents per hour. He was graduated in 1915 with a degree in electrical engineering and shortly afterward sought permanent employment with Rochester Gas and Electric Company.

"There were no openings in the electrical department so Mr. Beebee took a job in the gas department and through this circumstance became one of the best known gas engineers in the country. Through successive promotions he moved up to the post of General Superintendent of the Gas Department in 1921 and two years ago was made a vice president. He has been a leader in the development of kitchen ventilation and a system developed by R. G. & E. engineers has become known as the "Rochester plan" throughout the country.

Herman Russell, retiring president, has been connected with Rochester Gas and Electric since 1905 and has served as president since 1929. He is a former president of the American Gas Association and the Rochester Chamber of Commerce and is actively associated with many other organizations. He was graduated from the University of Michigan, which he entered at the age of 16 years.
