

Penfield Church Restored After Fire, Reopened

After eight months of labor, St. Joseph's Church has been completely restored and reopened to Penfield parish members following the fire which destroyed the altar, roof and vestry last August.

Rev. Joseph A. Kasper, pastor, announced that the church is now open for the first time since the fire. The church was completely destroyed by fire on August 15, 1946. The fire started in the vestry and spread to the altar and roof. The church was closed for eight months while repairs were made.
