\$40,778 Reported In Ithaca Drive
 (Continued from page 1)
 (Article in 1946 and the 50th anniversary of the dedication of the present church edifice. Plans are already underway for a celebration of these events, the sale of an incident that this drive is going to succeed, I feel that it is in the right hands," he told the workers.
 "The Rev. John Heenan, director of the parish committee in charge, presided at the meeting. Other speakers were John C. Burns, campaign chairman; Miss Sara Marie Kelly, campaign vice-chairman; W. Arthur Sprague, zone co-ordinator; and Joseph F. Farley, a campaign auditor.
 Burns and Miss Kelly cited the needs for religious education in the world today, in the face of the growing juvenile delinquency, divorce, and other evils. Burns said that the Sisters of St. Joseph, who teach at the Episcopal School, had the proper equipment and facilities for teaching both secular and religious subjects.
 Classes are now being conducted in the new wing of the Episcopal school, which was not damaged by the fire, and in Parish Hall, the Knights of Columbus Home, and private residences.
 Sprague outlined details of the campaign organization and Farley instructed workers on the use of the pledge card and other campaign material.

Ladies of Charity Thanked For Aid to Reformatory
 By Margaret Kennedy.
 St. John Bosco Committee of the Elmira Ladies of Charity will hold a card party at St. John's Hall at Lake and Second streets, Feb. 14, at 8 p. m. The women are working hard on the plans and a large crowd is expected. They are planning to have an open booth and several prizes have already been sent in.
 This committee recently received a letter from Father Lane, thanking them and the entire organization of Ladies of Charity for the assistance given him at the Reformatory during the past year. At Christmas time St. John Bosco committee sent Father Lane about 1,000 cards which he distributed among the inmates at the Reformatory. The men were glad to receive the cards and expressed their appreciation to the committee through Father Lane.
 The Ladies of Charity Committee met on Monday evening at the home of Mrs. Edward J. Collins. Six new members were welcomed and plans for a new project were discussed. For several years one of the main projects of this committee has been giving assistance in the children's ward on the fourth floor at the hospital. The new project calls for an extension of this program and the women plan to go to the hospital in groups of five to see for the children's ward.
 Our Lady of Good Counsel held a meeting last Thursday evening. A large number of articles for the clothing drive were turned in at the meeting.
 This committee desires to make an appeal for new members. There is much work to be done and not nearly enough members to take care of it. We understand that about forty new babies have been added to the list during the past year in addition to those already on the list.
 Our Lady of Nazareth sewing committee is still appealing for material for quilt linings. They are also starting to work on children's dresses. There is an urgent need for both of these articles but the women are held up because of the scarcity of material.
 Chairman are reminded that prospective affiliates who join their committees are on probation and that an accurate record of the probationer's hours of service must be turned in. The prospective member's affiliation depends entirely on the probation period and committee chairman are responsible for this report.
 May we remind anyone interested in membership in the Ladies of Charity, that an invitation to join is not necessary. Membership is open to any Catholic woman and our invitation is particularly intended for newcomers to the city.
 The Personal Service Committee is always interested in donations of magazines and playing cards as well as any games that elderly persons might enjoy. Such donations may be left with Frances Battersby or Mrs. E. B. Maloney or may be left at the Catholic Charities office.
 St. Rose of Lima committee has a great amount of secretarial work to be done in the next month and members are urged to report on the days assigned to them so that this work can be finished. Chairmen of other committees are reminded that if any secretarial work is done by members of their committees, the hours are to be turned in and credited to the member doing the work.
 The sewing committees are now holding their weekly meetings in the hall of St. John the Baptist Church at Lake and East Second streets. This arrangement has been made until the committee can find permanent working quarters.
