# WAR RELIEF SERVICES

NATIONAL CATHOLIC WELFARE CONFERENCE

**THANKS** YOU

In the name of the needy German people who have received help from War Relief Services-N.C.W.C. during the past year we thank all those whose generosity has made our German Reliet Program possible.

Without your help thousands of innocent children and helpless old and ill persons would have perished, and the suffering of countless others would have been indescribable.

AND APPEALS ACAIN

Now, more than ever the German people need your help. Because they cannot help themselves, because we, in America are the only ones to whom they can turn in the dark hours of their misery, we know that you will continue to be generous and redouble your efforts in their behalf during the coming year.
