CHARITY UNIT GIVES \$100 TO ST. ANTHONY'S

By MARGARET KENNEDY
At the General Executive Committee meeting of the Ladies' Ladies of Charity it was voted to give \$100 to St. Anthony's Building Fund. We are particularly proud of ourselves in being the first organization to offer services to Father Minnelli in any way in which he can use us.

Several monthly meetings of the various Committees will be held this week and a report on the business activities will be given in next week's issue.

At this time we hope every Lady of Charity has received her copy of our new Bulletin, "Charity Comes With You." The new Bulletin will send out each month and carry many little news items of interest to everyone.

And now, just a last minute word to urge you to attend the Breakfast on the Feast of our Patron, St. Louis de Marillac. We hope that every Lady of Charity will receive Holy Communion at Our Lady of Lourdes Church at the 8:45 Mass and then go to the Monk Twins Inn at 10:00 o'clock for the breakfast. Tickets are still available and if you have not been contacted, won't you stop in at Catholic Charities Office and make your reservations.

A reminder to all Ladies of Charity that all members are expected to act as a guard of honor over the Blessed Sacrament on each First Friday. Those who are not able to come on Friday may make their visit of one hour anytime between six and eight o'clock on Thursday evening.

The Ladies' Ladies' Committee has received a revised list of patients at St. Joseph's Hospital. Through the cooperation of Sister Margaret Agnes a survey of the patients is being made to find out any way in which members of this committee can be of service to them. These ladies do shopping, write letters and make telephone calls for the patients. Daily lists are compiled by a supervisor and given to the members of the Committee.

Members of the Barat Retreat League met with members of The Big Sisters Committee in the Catholic Charities office on Tuesday evening February 20. All members of the League are reminded of their first Spiritual Project, making an act of Spiritual Communion when passing a Crucifix and asking her Guardian Angel to pay a visit to Our Lord in the Blessed Sacrament in that particular Tabernacle. This practice was followed faithfully by Sr. Louise throughout her life.

Our Lady of Good Council Committee was scheduled to give a report of the work done by the members during the past year at the Council meeting on Tuesday night. These reports are proving most interesting and are helping to acquaint members of the Council with the program of Ladies of Charity.

Anyone who doubts that the members of Our Lady of Nazareth Sewing Committee really work, should see the warm pajamas and heavy quilt which these ladies completed at the meeting of the Thursday group this week. These articles are badly needed by Catholic Charities and are greatly appreciated.

Day of Recollection Held
A Day of Recollection for all young ladies of St. Charles Borromeo church, Elmira Heights, was observed Sunday afternoon. The Rev. Eugene McFarland, assistant pastor of Our Lady of Perpetual Help Church, Rochester, conducted the services including Conference, meditation, Rosary and Solemn Benediction of the Blessed Sacrament.

Each Affiliate To Get Crucifix from Bishop

McMauray and other general projects.

As an active member you may choose a committee of your liking. You may be a Big Sister to some girl who needs that type of friendship — or help in various ways in the interest of the children's floor at St. Joseph's Hospital. You may act as messenger to our Bishop in distributing his moral and educational literature to young mothers, or now on much needed garments to be used locally or by the National Service Corps.

There is an opportunity to visit and befriend the lonely old men and women at the County Farm — to visit and help lonely patients at St. Joseph's. Or you might according to the specific plan of our founder, St. Vincent de Paul, visit one particular friend in her own home. All these and innumerable other spiritual and corporal works of mercy offer to you a great "power house" of grace.

Further information, which is available to any Catholic woman in good standing with her

church, may be obtained from Miss Frances Butterly, Administer, Catholic Charities of Elmira, in your parish or Diocese.
