STORING FINE FURS IS OUR BUSINESS

Fine furs deserve the protection of Projansky's vast, airy storage vaults on its own premises, and the individual expert care given by fur specialists who are in constant attendance. A modern "electric eye" detection system guards the vaults at all times.

It costs no more for superior Projansky service—\$3 minimum, 212% of valuation; \$2 minimum for cloth coats and fur jackets.

Consult Projansky's fur stylists if you're planning to have your furs remodeled. These craftsmen will transform your outmoded coat into an exciting 1948 fashion, and the work can be done NOW in fastidious leisure.
